

# Senior Bulletin – 5/22/20

You Did It!!!

Hello Seniors and Senior Parents,

While it probably feels anticlimactic, given the current situation....you did it! You have finished high school! Though it is not the ending you wanted or what you envisioned when this year began, nothing can take away this wonderful accomplishment!! We know you all feel sad, disappointed, and so much more, but you should also be proud of yourselves! For those who still owe assignments, please remember that next week is for any make-up work you may have. Please take advantage of this opportunity!

## **UNDECIDED ABOUT YOUR PLANS FOR NEXT YEAR?**

Check out NACAC's Space Availability Survey at:

<https://www.nacacnet.org/news--publications/Research/CollegeOpenings/>

It's a searchable list of colleges who are still accepting applications for Fall 2020 freshman. Many colleges indicate space available after the initial deadline and update their listings as space availability changes.

We encourage you to check the list periodically.

## **REMINDER - UPDATING YOUR NAVIANCE LIST:**

Seniors must update their College list on Naviance with all acceptance decisions, including the school (if any) where they will be attending. If we do not know what school you will be attending, we cannot send your final transcript. Also, seniors MUST complete the Senior Transition Survey. You can find the survey under "About Me" -- "Surveys" -- "Senior Transition Survey." If you need to reset your Naviance password, please email your counselor and she will be able to help you.

## **FINANCIAL AID APPEALS DURING COVID-19:**
