Letter to the Readers

Dear reader,

It seems like just yesterday that we all began the school year, excited for what it had in store. As it comes to a close, summer is just around the corner, and CHS hosts a variety of end-of-year events--from LIME's 24-hour relay and Junior Cotillion to Senior Prom and Graduation. It also brings this school year's final edition of The Voice. This year, The Voice truly had an outstanding year.

Thank you so much to anyone who attended meetings, contributed to issues, and helped make this a successful year for The Voice! The new membership and creative ideas made this a special year for us. My deepest gratitude to our advisors, Ms. Sullivan and Ms. LaFlamme--without your encouragement, ideas, and positivity, we would not have had such an incredible year. Thank you to my fellow board members, Jhanvi Kichannagari, Misha Kapoor, and Riley Tambo, for their dedication and hard work on every issue and their leadership in this club. I am excited to announce our board for the 2026-2027 school year: Charlotte Ware will take on the role of President, Aditi Yadav will be Vice President, Olivia Thomas will be Editor, and Kirshna Ahir will be Graphic Designer. I am looking forward to seeing everything this new 2026-2027 board will accomplish and reading the issues in the years to come. My time with the Voice comes to an end. It has been an honor to take on this role of President. This club has given me some of my favorite memories and friendships, and I am so grateful for its central role in my high school experience. Lastly, thank you to our readers for your support! We hope you'll continue reading The Voice for many years to come.

Enjoy the Spring Issue of the Voice and have a great summer!

Sincerely,
Samhita Badhri
Class of 2026

Spring Crafts!

By Krishna Ahir and Olivia Thomas

Craft Number 1: Egg Carton Flowers

(credits: letsroam.com)

Crafts are so fun to make, but when it comes to spring crafts, it really is the icing on the cake here. All the vibrant colors and creativity really bring out the fun vibes of spring! Here's how to make egg carton flowers:

Supplies You Need

- Empty egg carton
- Acrylic paints (Vibrant colors are recommended, but it's all up to you!)
- Popsicle Sticks
- Hot glue gun or tacky glue.

1. Cut your egg carton so there are four spaces, like in the picture above.
2. Get a paint palette or paper plate and pour all of your desired colors.
3. Paint the carton with the color of your choice.
4. Let it dry for at least 15 minutes. (Put it by a window or fan so it can dry faster)
5. Paint the center so it looks like the center of a flower.
6. Get your popsicle sticks and paint them green or any other color.
7. Let that dry for a few minutes.
8. Once dry, get your hot glue gun or tacky glue.
9. Glue on the tip of the popsicle sticks.
10. Stick on the back of the egg carton.
11. Voila! You're done!

Spring Crafts!

By Krishna Ahir and Olivia Thomas

Craft Number 2: Beaded Pipe Cleaner Flowers

If you are looking for a simple craft, beaded pipe cleaners are a great choice.

They are easy to make, colorful, and can be used for decorations or gifts.

How to make them

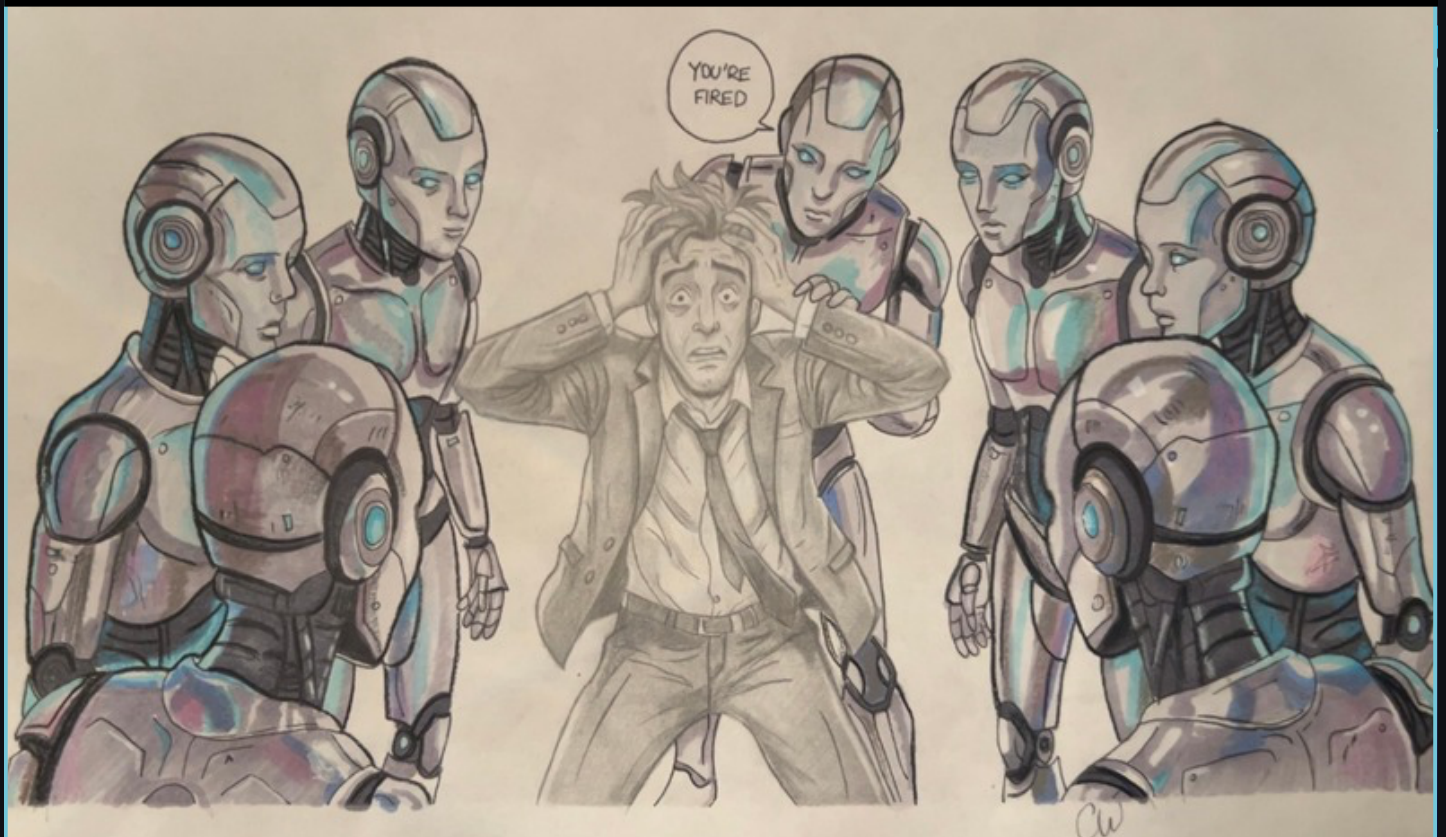

1. Choose your colors
2. Pick 5 pipe cleaners of the same color for the flower petals, and 1 green pipe cleaner for the stem
3. Thread your beads onto petals
4. Add no more than 15 beads to each pipe cleaner.
5. Make the petals
6. Bend each pipe cleaner into a loop/teardrop shape, then twist the ends together to make sure each petal holds its shape
7. Attach the petals
8. Take a green pipe cleaner for the stem. Place the twisted ends of the petals at the top of the stem, leaving a small section of the green pipe cleaner sticking out.
9. Secure the petals
10. One by one, twist the ends of the petals tightly around the stem so it stays in place. Place the petals right next to each other so very little green shows. Continue this until all 5 petals are attached.
11. Shape the flower
12. Adjust the petals so they spread out evenly and look balanced.
13. Add leaves (Optional!)
14. You can use another short green pipe cleaner to create leaves by twisting it around the stem, bending each side outwards

Supplies you need:

- Pipe cleaners (any colors)
- Plastic Pony Beads (credits: letsroom.com)

How to Make a Paper Rose

By: Aditi Yadav

1. Fold a paper and cut out equal pieces as best as you can. It doesn't have to be perfect, it won't matter!

2. Four square pieces of paper equal one rose. First, fold a piece of paper diagonally. Then, fold the two opposing corners corners together. Fold this way once more. Repeat for the rest of the pieces of paper.

3. Next, draw the desired petal shape and cut the small folded triangles. Make sure the side of the triangle that doesn't unfold is on the **BOTTOM**. You want one shape to unfold, not mini triangles. Then, cut so they match the picture to the left on the bottom.

4. For each shape you have, put glue on one outer petal (next to the cut-out gap) and place the other outer petal on top of it.

5. The two smallest shapes are a bit trickier. Put some glue on the outer edge of one of the petals. Then, roll the other petal on top of the spot where the glue is on the first petal.

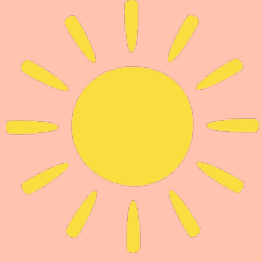

6. Now place glue on the bottom of each new piece and stack them inside the largest petal from large to small.

OPTIONAL

7. Take a long and thin object and wrap the petals around it to create a curled look. Remember that piece we were saving for later? Cut in half, color the two pieces green and glue them to flower to look like this.
