Hello Juniors & Junior Parents!

We know this has been an incredibly difficult week for your class. Please know that we are here to help and support you during this sad time. Please make sure to take time for yourselves now, and in the days to come.

We just have a few items for you this week:

REMINDER - COLLEGE ADMISSIONS PANEL:

As we were not able to host our annual college admission's event, this year we have recorded our panel of five college admission representatives and are thrilled to be able to share that recording with both students and parents, along with other important information from our department. We are sharing this video with you here: https://youtu.be/j1LbY_MHdX8, and it has also been posted on the Class of 2022 Google Classroom and on The CHS School Counseling Department's Twitter @CHS_SchCounsels. Reach out to your counselor with any questions.

SAT REGISTRATION REMINDER:

The last day to register for the May 8th SAT is April 8th. Be sure to register as soon as possible. You can register for the SATs at www.collegeboard.org. Remember to save your College Board log-in information, as you will need it to access your scores and to send the scores to your schools. The CHS CEEB code is 220575.

HAVE YOU GONE ON ANY COLLEGE TOURS YET?

As some schools are beginning to allow on-campus tours, remember that April vacation is a great time to visit college campuses and see them in action. Be aware that it is always a busy week in college admissions offices, and we expect many schools to limit the number of people able to tour or attend an info session. To book an official tour, you should go to the school's own website.

If you have any questions, please contact your counselor directly.

We hope you have a relaxing weekend,
CHS School Counseling
