

CHELMSFORD

PUBLIC SCHOOLS

Friday, Feb. 26

Hello Seniors & Senior Parents!

We hope you all had an enjoyable vacation week, and that students have returned to school well rested and ready for their last few months of high school. Goes fast, doesn't it?

Semester 2 is well underway. Remember to keep working and don't let senioritis set in!!

Colleges will continue to monitor your grades through the end of the school year. It would be a real disappointment to have your acceptance rescinded, or to begin college already on academic probation. And, yes, these things really do happen!

MID-TERM GRADES:

All mid-year grades have been sent out to colleges. Continue to check your email and school portals for communications from your schools about the status of your application. If your school indicates that documents are missing, let your counselor know. Usually documents just haven't been recorded yet by the school. Please note that the schools will not contact us looking for missing documentation. It is your responsibility to check your email and/or school portal and notify your counselor.

REMINDER: HAVE YOU HEARD FROM YOUR SCHOOLS YET?

Some of you have already heard from your schools, and many more admissions decisions will come out over the next month. As you hear, be sure to let us know, and also to keep your Naviance account up-to-date with acceptances/denials/waitlist. All you have to do is go to your Colleges I'm Applying To list, click on the pencil and indicate the result. Easy to do, and this information helps future classes of Chelmsford High students to have accurate scattergrams and information to rely on when selecting the colleges they will apply to.

GOING TO A TWO-YEAR SCHOOL?

For those students continuing their education at a two-year school please be sure to complete your application soon so you can arrange for placement testing. SATs and an essay are generally not required. Please see your counselor for more information.

That's it for now! Be sure to contact your counselor if you have any questions or concerns. Look for the next senior e-mail on March 12th.

Have a great weekend!
