Hello Seniors & Senior Parents,

Semester 1 is over and done....you're almost there!! Keep working and don't let senioritis set in!! If you are struggling in a class, please reach out to your teachers and keep up with your work!

MID-YEAR GRADES:

We will automatically send your mid-year grades out to your schools before the vacation week. You don't need to request transcripts, bring us envelopes, or anything else. On your end, be sure to continue checking your email and school portals to ensure that all required information has been received by your schools.

GOING TO A TWO-YEAR SCHOOL?

For those students continuing their education at a two-year school please be sure to complete your application soon so you can arrange for placement testing. SATs and an essay are generally not required. Please see your counselor for more information.

HAVE YOU HEARD FROM YOUR SCHOOLS YET?

Some of you have already heard from your schools, and many more admissions decisions will come out over the next month. As you hear, be sure to let us know, and also to keep your Naviance account up-to-date with acceptances/denials/waitlist. All you have to do is go to your Colleges I'm Applying To list, click on the pencil and indicate the result. Easy to do, and this information helps future classes of Chelmsford High students to have accurate scattergrams and information to rely on when selecting the colleges they will apply to.

WONDERING WHAT TO DO OVER FEBRUARY VACATION?

How about applying for scholarships! There are many scholarships listed on Naviance, and some of them get very few applications. Why not spend some time reviewing and applying for scholarships to help pay for college?

That's it for now. Our next senior email will go out on February 26th.

Have a great vacation week!!
