

Dear Seniors & Senior Parents,

It's hard to believe the school year is half-over! Just a few things to share with you this week.

### **MID-YEAR GRADES:**

We will automatically send your mid-year grades out to your schools. You don't need to request transcripts, send us an email, or anything else. On your end, be sure to continue checking your email and school portals to ensure that all required information has been received by your schools.

### **ACCEPTED STUDENTS' DAYS:**

Most colleges hold Accepted Students' Days where accepted students can visit the school, learn more about it, and most importantly, see the school from the point of view of a potential student.

We strongly encourage all students to attend these programs to help them decide which school will be the best fit for them. Even if the programs are virtual, they are still a good source of information as you make your decision. Similarly, if you are able to visit the campus to at least drive through to get a feel for it, it would be a worthwhile experience for you as you weigh your options.

For more information on what to do after you're accepted, check out this link:

<https://bigfuture.collegeboard.org/get-in/making-a-decision/you-got-accepted-now-what>

### **SCHOLARSHIPS:**

**IMPORTANT:** Please note that the CHS Alumni Scholarship deadline has been extended to January 22nd.

If you have questions

about scholarships, please be sure to reference our Scholarship presentation at:

<https://www.youtube.com/watch?v=YLXFYy9xoEg>

A reminder that students applying for scholarships that require transcripts need to request the transcript on Naviance. Please see or connect with Mrs. Acheson ([achesonc@chelmsford.k12.ma.us](mailto:achesonc@chelmsford.k12.ma.us)) in the Career Center to get your transcripts. Please note that links to all the scholarships are included in the scholarship list on Naviance.

**RECOMMENDATION:** Letters for scholarships must be requested from your counselor. For teacher recommendations students must contact their teacher directly. Please give your counselor and teachers adequate notice for these letters.

As with financial aid, please pay close attention to the deadlines!

Look for our next email on Feb. 5

Have a great weekend!

CHS School Counseling

**Important Dates:**

**January 22:** CHSAA Scholarship Application deadline

**January 29:** Deadline to request transcript for Town of Chelmsford scholarships

**February 12:** Town of Chelmsford Scholarship deadline (Note: CSS Profile must be completed to be considered for these scholarships.)
