Hello Juniors & Junior Parents,

MID-TERM GRADES:

This week marks the mid-way point of Term 4. Be sure to check your grades on X2 and if you're not happy with them, talk to your teachers about how to improve them. It's not too late to bring up any low grades so keep working hard, come in for FLEX Block, meet with your teachers and finish your junior year on a strong note! Only four plus weeks to go!

WANT TO RAISE YOUR SAT OR ACT SCORES?

If you have decided to, and are comfortable taking the SATs or ACTs, you may want to do some test prep. If you are motivated and disciplined, an SAT or ACT test prep book could do the trick. Visit your local library or bookstore and find a book that is a good fit for your learning style.
