Hello Juniors & Junior Parents,

As we head into a long weekend, we have just a few things for you....

LETTERS OF RECOMMENDATION – IMPORTANT!

Have you asked your teachers yet for letters of recommendation? You should reach out to your teachers either in person or via email and be sure to ask before the end of the year. At least one letter should be from a core subject teacher, and if you know you will be going into a math or science field, you should definitely ask a teacher in at least one of those disciplines. If you're not sure who to ask, please connect with your counselor. Please do not leave school for summer vacation without knowing who will be writing your letters! Your future self will thank you!!!

JUNIOR PLANS FOR AFTER CHS:

Students, if you have not yet connected with your counselor about your plans for after high school, please do so very soon. All juniors should connect with their counselors before the end of the year. We are here to help!!

DO YOU HAVE A RESUME?

Keep working on building your resume. You should include: biographical info (name, address, CHS info, etc.), honors and awards, work experience and/or internships, volunteer experiences, extracurricular activities both in and out of school, and any workshops and/or summer programs you may have participated in. There is a sample resume in the packet handed out at your Junior Plus meetings and which is also posted on our Google Classroom. Your counselor will need a copy of your resume in the fall. Connect with your counselor with any questions.

REMINDER AND PARENT INFO - GOOGLE CLASSROOM:

We continue to post helpful information on our Class of 2022 Google Classroom, so if you have not signed up, please do so! The Join Code for this new Google Classroom is:
