PETITIONING PROCESS

Schools may petition up/down from the Large School Division or Small School Division. Petitions must be submitted in writing in advance of submitting the TAMY Entry Application. To ensure equity, petitions will be reviewed by the TAMY Classification Committee* who will make a final determination – petitions are not automatic. A school wishing to petition up/down must present their case in writing and must address the following issues as they pertain to the request.

- **STUDENT POPULATION** – within the student body, how many students are actively interested in/participate in the theatre program?
- **CURRICULUM SUPPORT** – does the school offer classes in theatre, music, dance that feed into the theatre program?
- **FACILITIES** – do the facilities (auditorium, lighting and sound systems, etc.) adequately support the theatre program?
- **PARENT SUPPORT** – is there an active parent group that provides support for the theatre program?
- **HISTORY** – is the program long established, or developing?
- **BUDGET** – does the school provide reasonable financial support for the program?
(if this is the primary basis for petition, a detailed budget should be included)

*TAMY Classification Committee is comprised of Gail Steele, Director of Theatre at the Mount, and 2 additional members of the TAMY Judging Team.

GRAND PRIZE

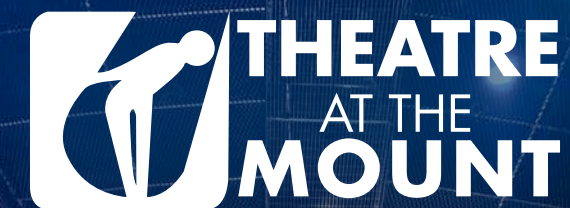

Schools winning the Outstanding Overall Production Award in the large school and small school divisions receive a full 2-year scholarship to Mount Wachusett Community College for a student enrolling in the Liberal Studies/Theatre Program.

If you have a disability and may require accommodations to participate fully in the program, please contact the program director to discuss your specific needs. In some cases, a two week notice may be necessary.

Theatre at the Mount

TAMY Awards opening number, 2017

Dear Drama Educator,

Theatre at the Mount is pleased to present the sixteenth annual High School Musical Theatre Awards (The TAMYS) recognizing exceptional accomplishments in the production and performance of musical theatre in area high schools. This program publicly acknowledges the outstanding effort our schools make to strive for excellence in the performing arts. It is also designed to develop a creative and dynamic relationship between schools and Theatre at the Mount.

The TAMY Award program recognizes the extraordinary amount of work, creativity, and devotion that faculty and students pour into their high school theatrical productions. We intend to celebrate the entire art of musical theatre: casts and crews, directors and designers, and the great musical theatre works that inspire such devotion.

An information package, including an application form and a list of rules and guidelines, is enclosed.

We sincerely hope that you will participate in the TAMY Awards program this year – to support your staff, students and the performing arts.

Sincerely,
Gail M. Steele, Director of Theatre

RULES & GUIDELINES

Applications must be received no later than four weeks prior to your production.

Incomplete applications will not be considered. Applications should be typed (preferably) or printed legibly. Entries received after April 1 may not be considered.

There is a \$100.00 non-refundable application fee per production. Checks should be made payable to Theatre at the Mount.

Participating schools must be located within 50 miles of Mount Wachusett Community College.

All productions must take place between October 1, 2021 and May 8, 2022.

Productions entered must fall into one of the following categories:

- A published musical, operetta or revue (either currently held by a licensing house or having entered public domain);
- or an original piece which features an original script, music and/or lyrics and which is covered under a valid copyright;
- or an original compilation of material from other sources that is presented with the approval or permission of the original creators or their representatives.

JUDGING

A minimum of five judges representing Theatre at the Mount will attend each production.

Each school shall furnish Theatre at the Mount with complimentary tickets for the judges and a reasonable number of guests. Additional tickets shall not be unreasonably requested by Theatre at the Mount nor unreasonably denied by participating schools.

Due to the challenge of coordinating judges' schedules, we request that you provide us with dates of dress rehearsal, preview and matinees in addition to the regular evening performances.

Every attempt will be made to re-schedule judges in the event of inclement weather or canceled performances.

We strongly recommend that teachers allow judges to attend performances anonymously, so that they may fairly evaluate the production, and further, that teachers not tell their students when the judges are coming. Tickets should be left at the box office and judges will pick them up before performances. Anything that would publicly display the seating of the judges is strongly discouraged.

In all cases, the decisions of the judging committee will be final.

AWARDS

A list of all nominations for the 2021–2022 TAMY Awards will be emailed to schools by May 10, 2022. An Awards Ceremony, modeled after the Tony Awards format, will be held in late May or early June at Theatre at the Mount in Gardner. Drama students, dedicated teachers and families will be invited to attend this "gala event." Each school will be allocated 6 complimentary tickets and additional tickets will be sold at the Theatre at the Mount box office two weeks prior to the event. It is requested that schools not using their full allotment of tickets for the ceremony contact the TAM box office in a timely manner so that seats may be released and made available to other schools. The TAM box office number is 978-630-9388.

Award recipients will receive a specially designed "TAMY" trophy and may be invited to perform at the awards ceremony.

PHOTO SUBMISSION

Participating schools are required to submit a minimum of 12 production photos within one week of their last performance. A Dropbox link will be provided to allow for upload of the photos. These photos will be used for promotional purposes and for a PowerPoint slide show to be presented at the Awards Ceremony.
