Student Handbook

2022 - 2023

Letter from Principal

Dear Students,

Welcome to the 2022-2023 school year. We look forward to the start of a new school year. The worst of Covid appears to be behind us. With this in mind, we are going back to a more traditional schedule. Although the summer has been mostly rainy, it is still a nice break and a nice time to recharge. I am excited for the new school year to begin.

You will see a lot of changes both in academic offerings and changes in and around our building. We expanded our dual enrollment offerings to almost 20 different courses. Students can also participate in our new innovation pathways program. This gives students an internship or capstone experience relative to a career centered focus for a specific innovation pathway. Please see our Program of Studies for more information.

Our science pond was overhauled and ready to support classes. The gym floor will be replaced and over the course of the next four months you will see a total renovation of the Learning Commons. It will look more like a college student union with structures and furniture that supports collaboration and studies

The handbook addendum provides you with better access to the information and to better acquaint you with the practices and policies of the school. In its strictest sense, it is meant to be a resource for you and your parents as you join our Chelmsford High School community. **Please look at the sections involving attendance and after school activities. Policies changed in regard to excessive tardies and absences.**

Our mission is “*We foster pride in our pursuit of excellence*”. Our handbook is designed, organized, and used as a means of advancing that mission.

We look forward to a wonderful school year.

Sincerely,

A handwritten signature in black ink, appearing to read 'Stephen Murray', with a stylized flourish at the end.

Stephen Murray
CHS Principal

House Plan

Chelmsford High School is organized into three houses - Emerson House, Hawthorne House and Whittier House. A Dean, a House Secretary, two Guidance Counselors, a Clinical Psychologist and an assigned PLUS block teacher support each student within each house. Students are randomly assigned to houses upon entering the high school and remain in their assigned house and PLUS block throughout their high school career. The exception to the random assignment of house is in the case of siblings who will be assigned to the same house. While students are assigned to a particular house, dean, and guidance staff, they move throughout the entire building for classes and other activities.

This organizational framework aims to facilitate personal relationships, rapport, and understanding among students, faculty, and administration. The concept of houses within a larger building is designed to combine the more personal character of a smaller high school with the more extensive facilities and more flexible curriculum of a larger one. Such an organization offers students greater opportunities for leadership as well as participation.

Communication

As much of the success of our students depends upon their ability, work ethic, and motivation, a significant contributor to their success will be determined by how effectively school and the home work together and maintain open lines of honest communication. While our goal is to encourage a measure of independence and self-advocacy in our students, we still recognize that these students are children and require that these skills be developed over a period of time. As the adults, it is our responsibility (i.e., parents, teachers, and administrators) to demonstrate and to model these behaviors for our students.

To facilitate communication, Chelmsford High School has employed a number of strategies and vehicles. Our website (<http://www.chelmsford.k12.ma.us/Domain/10>) has been recently updated and serves as our primary means of sharing and accessing information. Please bookmark it and add it to your favorites on your home computer, tablet, or other mobile device. In addition to routine announcements, the student newspaper (i.e., "The Voice"), CHS publications like the handbook and the program of studies, some other global means of sharing information would be:

- The X2 Parent Portal/Student Portal: This is the most important and direct way to access current information about your student (e.g., grades, progress reports, schedule, attendance, etc.). Since this is our primary means of accessing your contact information, please be sure to check and/or update contact information in X2 in a timely fashion (i.e., as it changes, or on a bi-annual basis). A username and password is needed to access this information. If you cannot access this information, please go to the 24/7 Technical Support on the CHS Home page or you may contact Central Office (978) 251-5100 x 6923 or 6924.
- Parents cannot directly access a student's Google classroom. Instead, parents/guardians receive a weekly Parent/Guardian summary of all student work that is due or missing for that week. You will receive an email invitation to accept and receive this weekly summary. Please call your child's teacher for this update if you do not receive the invitation.
- Connect Ed Communications: This is used frequently as a means of sending out newsletters, updates, or other pertinent timely information to parents.

Parent Communication

In general, the classroom teacher can best address the majority of issues that a student may have during school. We encourage and invite students to advocate for themselves and encourage parents to contact teachers directly by email. A directory of teacher contact information is available on the CHS website.

Parent Conferences

Parent conferences may be arranged with counselors **by e-mailing the counselor or calling the house office.** Please contact your son/daughter's guidance counselor to arrange a meeting. With the large support network that we have in place for our students, we have included a chart below to help delineate the roles and whom to contact about some of our more common requests.

Students are expected to remain in their PLUS Block for the entire period unless called out of class by either their counselor or dean. Failure to attend PLUS Block will result in a cut and detention. **PRIDE BLOCK Purpose Statement**

In order to promote an environment that fully addresses and supports the overall well-being of the Chelmsford High School community, PRIDE Block will provide a systematic opportunity for students to access interventions and supports such as:

- Focused Extra Help/Skill Development
- Social Emotional Support
- Homework, Classwork and Make-up Work Completion

- Group Projects
- Peer Tutoring
- Enrichment Opportunities

[Failure to attend PRIDE Block will result in a cut and detention.](#)

IV. Student Life

Announcements

Daily announcements are posted to the high school website each day. These announcements are read each day during PLUS block, posted to the display monitors (in the main hall and the career center), and also available in each house office and the main office.

Bus Transportation/Late Bus

Chelmsford High School considers school buses, and buses for field trips, athletic events, and other school sponsored events to be an extension of the school. Therefore, students using the buses are held to the same expectations as they are in school and in accordance with all rules and policies within the CHS addendum.

Late buses are available on Tuesdays, Wednesdays, and Thursdays from the Parker and McCarthy Middle Schools. Shuttle buses will arrive at Chelmsford High School at 3:30 p.m. to transport students to their respective Middle School. Students will then board the appropriate bus to take them to their destination.

Care of Personal and School Property

Common sense precautions should always be taken to safeguard personal articles.

1. Do not allow anyone to use your locker.
2. Keep your locker locked--REALLY LOCKED.
3. Report any defective lock for replacement.
4. Keep your lock combination to yourself. There is no need to share this information with anyone. Any locker can be opened in any emergency by contacting your Dean's office.
5. Leaving personal articles, such as books, purses, or clothing unattended for even a brief time is an invitation to losing them by mistaken identity or outright theft. Locker rooms, study areas, dining rooms, rest rooms and other crowded areas are places where particular care should be exercised.
6. Place your name or other identifying mark on personal items.
7. Report missing articles to the security office as soon as you can; any delay is likely to make recovery more difficult.
8. You are encouraged to leave large amounts of money, electronic devices and other valuables at home.
9. Students are expected to pay for lost and/or damaged books.
10. Students may display posters only with the approval of an Administrator. Posters must be relevant to a school activity and approved for publicity within school by the Principal.

Camera System

Cameras are in operation inside and outside of the school. Video tapes may be reviewed by administrative and/or security personnel in the course of investigating a theft or any other situations involving safety or security where a video record may be helpful.

The Career and College Readiness Center provides students with a space where they can access staff support and resources that will help them explore options for their post- secondary future. The Career Center sponsors Career and College Programming such as Innovation Pathways and Dual Enrollment. The Career Center also hosts several annual events throughout the school year including, College Visits, the Career Exploration Breakfast, the Junior Job Shadow Day, the Senior Capstone Experience, Career Panels, Career Fairs, Veteran Panels, Military visits and information, Reverse College Day. Several Career Readiness workshops including Acing the Interview, Resume Writing, Social Media Etiquette, What Career Path is Right for Me, and Choosing a College Right for Me are offered in the Career Center several times a year. Students have the opportunity to access these during their PRIDE Block. One- on One support services that are offered to students include, resume writing, work permits, post- secondary counseling and connecting students with internships, part time jobs and volunteer opportunities. Students can access any of these supports by setting up an appointment with Alex Cunningham, the Career and College Readiness Facilitator, via email at cunninghamalex@chelmsford.k12.ma.us. Workshops and event sign-ups will be advertised to students prior to the event with ample time to sign up. For more information, please visit the Career and College Readiness Center page at <https://chs.chelmsfordschools.org/about-chelmsford-high-school/career-center/>

Dining Rooms/Outside Dining Rooms

The dining rooms will be open during the three lunch periods. Both hot lunch and snack bars offer students a wide choice of menu. Each student's schedule provides for one 25 -minute (depending on schedule picked, this may change) period of time that can be used for lunch. Students are expected to clean up after themselves, as well as conduct themselves in a proper manner. The cleanliness of this area is every student's individual responsibility. Permission to leave the dining rooms must be obtained from the supervisor on duty.

Food can only be eaten in the café. Weather permitting, students may use the designated outside area during lunches. The designated areas outside of the building are outside stairwell at the end of Whittier/Hawthorne House . Administration will let students and staff know what areas will be utilized on what days. No student is to be in the woods, on the street, or in parking lots. The use of outside areas is a privilege not to be abused, and all school rules apply. Other than these accepted times, students may not be outside of the building. Failure to abide by these rules could result in discipline.

Fees

Students are encouraged to pay fees as soon as possible to avoid possible delays in participation in activities and athletics. These fees can be paid on-line, through our on-line payment system. If you would prefer to send a check, it should be made out to Chelmsford Public Schools and delivered to the people identified in each section. Make note of the name of the student and the fee(s) you are paying on the check.

Students who are unable to pay any fee but would like to participate should submit a written request to his/her Dean for a fee waiver.

- \$250 Second sport you participate in during the school year.
- \$200 Third sport you participate in during the school year.

*Athletic fees are collected by the Athletic Secretary at the start of each sport season.

Extracurricular Activity Fee

\$50 Unlimited Activities: Activity fees are collected by the Activities Director, She can be reached at @chelmsford.k12.ma.us

Project Fees

In some courses, students are requested to purchase classroom materials which will be taken home after the project is completed.

Student Parking

There are no fees for students to park. In order to park at Chelmsford High School a student must register their car with building security and obtain a parking pass. Failure to register your car will result in your car being towed.

Upon a student's 9th tardy, he/she will lose their parking pass for one week (5 days).
At the 12th tardy the student may be suspended and/or lose parking for two weeks.
Tardies beyond 12, additional parking suspensions can be implemented, or parking permission can be revoked at the discretion of administration.

Field Trip Policy

In order for a student to participate in an approved school-sponsored field trip, the following procedure must be followed:

1. The official Parent-Teacher Field Trip Permission Form is issued by the teacher to each participating student.
2. The above-mentioned form must be signed by each of the student's teachers and a parent/guardian. The reverse side of the Field Trip form includes a health section that must also be completed and signed by a parent/guardian. Failure to obtain the signature of each teacher and parent/guardian will result in the student not being allowed to participate.
3. In order to participate the completed form must be returned to the sponsoring teacher no later than one week prior to date of the trip.
4. Students are responsible for making up class work missed as a result of the trip.
5. No academic penalty shall accrue to any student choosing not to participate in a field trip which is designated as enrichment.

6. If the field trip concludes before the close of school, students attend the remainder of their classes.
7. While on the trip, students are representing Chelmsford High School and are expected to dress and act appropriately. All school regulations and rules apply during the field trip.
8. If a student does not receive permission from school to attend a field trip and does attend, it will be treated as an unexcused absence and the student may serve a minimum of a one-day detention up to suspension depending on the severity of the incident.
9. For any student to participate in a school field trip, the student must be in good standing in all classes in both their academics and attendance.

In-school field trips will follow the same policy with the approval of the Dean.

Health Services

Our Health Services office is located on the main floor adjacent to the career center, across the hall from Dining Room 2. A student may access health services with a pass from his/her teacher. In addition to completing the emergency contact information form for health services each year, parents and students are reminded to keep the health services office apprised in a timely way as to any health-related updates (e.g., change in primary care, change in health insurance, recent medical developments, medications, etc.). Due to covid regulations masks may be required to enter health services.

Injuries

It is the parent's responsibility to notify the school nurse of all injuries (i.e., fractures, sprains, stitches, etc.). If a student is to come to school with a cane, crutches, wheelchair, or an assistive device, a doctor's note is required for returning to school. If applicable, such doctor's notes need to indicate if such students can or cannot use stairs. An example of this would be a student with the need to wear a brace that would immobilize a knee. This note should be brought to the nurse's office and, if necessary, an elevator key can be issued. Guidelines regarding injuries and non-participation in physical education (P.E.) classes are as follows:

1. Students with casts, stitches, or splints may not participate in P.E. classes or outdoor recess without written consent from both the parent and the attending physician. All injury notes from the doctor should include the type of injury, any limitations or allowance to participate in such activities, and the date the child may return to any restricted activities. Parent's wishes may not supersede this medical prescription.
2. Students need a subsequent doctor's note when it is safe to resume normal activity in P.E. and/or recess.
3. Some specified P.E. activities may also require non-participation for the safety of the student and others.
4. Students unable to participate in Physical Education due to injury/illness will also not be permitted to participate in after-school athletics.

Job Board (Part-Time Employment)

Students seeking part-time employment should regularly check the job board in the hall outside the Career Center.

Learning Commons

The Learning Commons at Chelmsford High School serves the information, knowledge-building, and reading needs of our students, staff, parents, and community members. The Learning Commons supports classroom curriculum and reflects the philosophy, goals and objectives of our school. The Learning Commons provides students with an atmosphere conducive to learning, while also providing a community space where students may collaborate on projects and construct knowledge.

While serving students' information needs is one role the Learning Commons plays, the space and staff also encourage students to ask questions, find answers, and, through this process, think creatively while building personally meaningful knowledge. All students, staff and parents have access to the Learning Commons. Our library collection is automated, there are thousands of eBooks available, and we continue to provide a virtual 24/7 space for students and staff.

The Learning Commons space has become central to teaching and learning, as our mission is tied to the mission and ideals of our school and district. The Learning Commons Sponsors *Listening Lunch* events each month.

Above our central information desk are the words "Ask, Ask, Ask" and in the Café area the words "Think" and "Create" appear above the counter-top seating. We encourage our teachers to make learning inquiry-based by requiring students to think, ask, and then create. Learning becomes meaningful and lasting, and students come away with a wonderful skill: the ability to think clearly and develop questions.

Learning Commons Hours

We encourage students to use the space during the school day and after school. We are open from 7:00 a.m. to 4:00 p.m. from Monday to Friday.

Book Checkout

- Books may be checked out for two weeks and are renewable unless requested by another student or teacher.
- There is no limit to the number of books students may have out at one time.

Copy Machine

- Students have use of the copy machine at no cost.

Overdue/Lost Books

- Students are expected to pay for lost materials.

Online Research

<http://www.chelmsford.k12.ma.us/Page/700>

The Learning Common's website allows students to use the databases, access an eBook, create a bibliography, and use Web 2.0 tools, while providing central access to these valuable resources. Students are encouraged to use the project pathfinders and online databases while looking for reliable, accurate information to complete papers and projects. The chart below provides the access information for researching from home using the Learning Common's website and databases:

Lockers and Locker Rooms

Lockers are assigned by the Main Office to students when they enter the high school. All locker assignments are final. Students are not to change lockers unless directed by the Main Office. Students must keep their lockers locked. Students are responsible for properly maintaining their assigned lockers. Lockers remain the property of the school. However, school officials will not open lockers unless the student is present or reasonable cause (in judgment of the school administration) exists. Students are not allowed to use lockers that have not been assigned to them. There should be no expectation of privacy. **Chelmsford High School does not reimburse students for any lost or stolen items.**

Students are allowed in the locker rooms only for the purpose of participation in a physical education class or an athletic practice/game. Student-Athletes who wish to store their athletic equipment in their PE locker may do so before the start of school. Athletic team locker rooms will be locked at 7:19 am.

During the school day locker room bathrooms may be used by students only during their physical education classes. Students found in the locker room during an unauthorized time or going into someone else's locker or private property will be subject to search and additional disciplinary actions in accordance with the discipline policies in this addendum.

Lost and Found

Lost books may be claimed in the student's House Office, clothing in the Nurse's Office and Athletic Office, and valuables in the Main Office. Students should not leave money or valuables unattended in dining rooms, corridors, classrooms, or lockers. Students are encouraged to place their names on all personal items. Special marking pens or labels are most effective for this purpose.

Make Up Work

During an extended absence, the student should contact individual teachers regarding assignments. The student has the obligation to secure the missing work and appropriate due dates from his/her teacher upon returning to school. The student is to have at least as much time to make up work as the number of days of class absence.

Parking

Students with a valid driver's license and the daily use of a vehicle will qualify for the privilege to obtain a Student Parking Permit and may park in the designated student parking area in the **BACK** lot. All spots are given on a first come first serve basis with seniors getting priority. Seniors will register first followed by juniors. All students will be required to register any vehicle they drive to school and to display the Parking Permit tag on the rear-view mirror of the registered vehicle. Unregistered cars will be towed away at the owner's expense. Students are eligible to park in the back lot, the top lot, or the Softball lot. All students will be required to register any vehicle they drive to school and to display the Parking Permit tag on the rear-view mirror of the vehicle. Student parking spaces are painted in white. Staff parking is painted yellow. **Cars parked in the faculty area or unregistered (untagged) cars will be towed away at the owner's expense.**

The parking lots are considered unauthorized areas during the school day. Students may not leave school to go to their cars without the written permission of a Dean. Any abuses in the use of the parking lot may result in the revocation of the parking privilege or the car may be towed at the owner's expense. Any student's vehicle on school grounds may be searched "whenever there are reasonable grounds to believe the student has violated or is violating the law or rules of the school relating to drug and/or alcohol/tobacco and/or student safety".

Qualified students are required to complete an online Parking Registration Form that will be emailed to all families during the first week of school. Students need to have served all assigned detentions in order to be eligible for parking privileges. The online registration form should be completed by Completed forms should be returned to the Supervisor of Students' office by Friday, **September 30, 2022** . After this date, student vehicles without a Student Parking Permit tag are subject to towing.

Seniors can register from September 7th – September 13th. Juniors can register September 14th – September 21st.

Students may lose the privilege of driving to school for a minimum of two weeks and a maximum of one year for violating any one of the following:

1. ****Parking in unauthorized areas, including faculty parking areas, handicapped spaces, front lot, etc.
2. Failing to register automobile.
3. Repeated violations of the school's discipline code.
4. Driving at speeds in excess of reasonableness in a school zone. Students should enter, leave and drive in the school parking lot at no more than 10 mph.
5. Leaving school without permission.
6. Any other violations/problems that the Principal or Deans deem serious enough to warrant revocation of this privilege **(including failure to serve assigned detentions, falsifying a parking tag)**.
7. Failure to provide legitimate car registration, license, etc. to the Supervision of Students' office.

Pass System

No student is to be in the corridor during class time without a pass. Passes can be obtained from faculty and staff members.

Student Records

In accordance with the student records reference in the district handbook, Chelmsford High School maintains a cumulative academic record and a cumulative medical record for each of its students. At graduation rehearsal each graduating senior student will receive his/her academic record and health/medical record to take home with him/her. CHS will continue to maintain the student transcript in accordance with the student records law.

Nondiscrimination on the Basis of Gender Identity

G.L. c. 76, § 5 was amended to establish that no person shall be excluded from or discriminated against in admission to a public school of any town, or in obtaining the advantages, privileges and courses of study of such public school on account of gender identity, among other characteristics. The amended Access to Equal Educational Opportunity regulations, 603 CMR 26.00, require schools to establish policies and procedures, provide training, and implement and monitor practices to ensure that obstacles to equal access to school programs are removed for all students, including transgender and gender nonconforming students.

Chelmsford High School strives to provide a safe, respectful, and supportive learning environment in which all students can thrive and succeed in its schools. The Chelmsford Public Schools prohibits discrimination on the basis of race, color, sex, gender identity, religion, national origin, or sexual orientation and ensures that all students have equal rights of access and equal enjoyment of the opportunities, advantages, privileges, and courses of study.

The gender identity law reflects the reality that transgender and gender nonconforming students are enrolled in Massachusetts public schools. These students, because of widespread misunderstanding and lack of knowledge about their lives, are at a higher risk for peer ostracism, victimization, and bullying. The 2011 National School Climate Survey by the Gay, Lesbian & Straight Education Network (GLSEN), found that 75.4% of transgender students had been verbally harassed in the previous year, 32.1% had been physically harassed, and 16.8% had been physically assaulted.

Educators play an essential role in advocating for the well-being of these students and creating a school culture that supports them.

Massachusetts' law recognizes common law name changes. An individual may adopt a name that is different from the name that appears on his or her birth certificate, provided the change of name is done for an honest reason, with no fraudulent intent. Nothing more formal than usage is required. Hence, when requested, schools should accurately record the student's chosen name on all records, whether or not the student, parent, or guardian provides the school with a court order formalizing a name change. School personnel should use the student's chosen name and pronouns appropriate to a student's gender identity, regardless of the student's assigned birth sex.

Student Support

If there is a situation at home that might affect your child, please let the teacher, guidance counselor or administrator know. Adjustments and extra consideration can be given to your child if we understand what he/she is experiencing. Some common situations are the death of a pet, business travel, family illness, etc. Students having any other difficulties of a personal/social nature should contact a dean, guidance counselor, or teacher for help as well. A school psychologist is also on staff and students can contact him directly or through another staff member. We want to support your child. Please keep us informed. If parents are concerned with any school-related issues, they should first discuss the matter with the teacher involved.

Transcripts

All current students will be provided transcripts to institutions of higher learning, prospective employers, summer programs and scholarships free of charge. When requesting an OFFICIAL or UNOFFICIAL transcript, students should log into Naviance, select the "colleges" tab on the horizontal bar, select "transcripts" under the "resources" heading on the left side tab, then select the link most appropriate for your transcript request. If you are requesting a transcript, be sent to a college or NCAA, select the first link entitled, "Request transcripts for my college applications". If you are requesting a transcript for any other purpose, select the second link, "Request transcripts for scholarships or athletics". Transcript requests must be requested through Naviance 10 school days before the transcript needs to be sent. Only UNOFFICIAL transcripts will be given directly to students who wish to bring a copy to an interview with an admissions officer, coach, or prospective employer. In this case, the transcript will be clearly marked as UNOFFICIAL.

Alumni transcript requests are processed through the Career and College Readiness Center for a fee of \$5.00. This is to help defray the cost of processing and mailing the transcript. OFFICIAL alumni transcripts will be mailed directly from the high school to colleges, employers, military, etc. UNOFFICIAL alumni transcripts may be picked up from the Career Center.

All transcripts of students transferring out of Chelmsford High School to another high school will be mailed to that school after a signed release form is received by the Registrar. This will be done free of charge assuming that the transferring student is in good standing and does not owe for books, fees, etc.

Scholarship Transcript Requests

The process for transcripts for scholarships is similar to those stated above. You should follow the same steps previously outlined and request one or more transcripts 3 Business days in advance of the date you need one. Some scholarships ask to have all documents including the official transcript mailed together. To accomplish this, the student must bring the completed

application with all supporting documentation in a pre-addressed, stamped envelope. The Main Office will add the Official transcript and send the entire packet.

In the event of extreme urgency, an official transcript may be given directly to the student only in a sealed and signed envelope so that the student can send it with their entire scholarship application. If the seal of the envelope is broken for any reason, the official transcript is invalid and therefore considered unofficial.

Video or Multimedia Projects

Students assigned a video or multimedia project by their teacher will discuss the guidelines with their teacher ahead of time. The student will be required to submit a storyboard or script to their teacher who will initial it before the student proceeds to the next step of producing the product. Storyboards or scripts should be detailed enough to include location of filming for each scene, basic dialog and props. Teachers will keep an initialed copy of the storyboard/script.

Students who want to use school equipment will be asked to show a storyboard or script that has been approved by the teacher. Students must avoid weapons, profanity, moving automobiles from the inside or outside. Safety issues must be considered for both the student and others. Teachers may impose any additional guidelines that suit the project. **Students who do not follow these guidelines could be subject to disciplinary action.**

Visitors to School

All doors to the high school are locked during the school day. Anyone other than staff who wishes to enter Chelmsford High School to conduct business must do so through the front doors of the building. After 7:30am all, visitors will enter the building through the new vestibule located to the right of the main doors. Visitors will wait in the vestibule area until the person(s) they are meeting come to greet them. All visitors are required to wear a Visitor's badge. **Students are not allowed to bring visitors to school, as Chelmsford High School cannot take responsibility for persons not assigned to the school as a student.** In rare circumstances the principal may make an exception to this policy. Students must submit a written request to the principal asking for permission to bring a visitor to school in advance of the visit. Visitors must present the school with documents to allow for emergency medical treatment and emergency contact numbers.

Voter Registration

Chapter 51, Section 42E (Section 17 of Chapter 475 of the Acts of 1993). *"All public and independent colleges, universities, high schools and vocational schools shall make available affidavit of voter registration forms at all locations where students may register for classes."* Affidavits of voter registration forms are available in the Career Center.

Work Permits

Current high school students may receive work permits from the Career Center and College Readiness Center after a promise of employment has been secured. Visit www.mass.gov/dos/youth/ and download a working permit application or you can find it on the CHS website under "Students". Once the application is filled out in its entirety, the application should be returned to the Career Center and College Readiness Center along with proof of identification. A Working Permit will then be issued. (Note: Students under 16 years of age must have a physician's signature on the form before a work permit can be issued.) The student

requesting a permit must appear in person (with proper identification) in order to obtain a permit. Please contact the Career Center for the hours that work permits are issued.

V. Student Opportunities

Extracurricular Activities

Extracurricular Eligibility Policy

Chelmsford High School strives to offer challenging learning experiences and opportunities, which will meet the needs, abilities, and desires of each student.

Committed to the development of a well-rounded student, Chelmsford High School fosters intellectual, emotional, physical, social, and civic development. Emphasizing these skills, Chelmsford High School provides a large number and variety of extra-curricular activities. These include clubs, activities, and interscholastic athletics.

There will be many clubs and activities offered this school year. The full list of clubs will be posted on the website by the first or second week in October.

Any activity for which no credit is given and that begins after the school day will be defined as extra-curricular and the following eligibility policy applies.

1. Students involved in extra-curricular activities must remember that they are representing CHS at all times and should conduct themselves in an exemplary manner during the school day and during activities.
2. Students must check in to school by 10:30 a.m. and remain in school for the remainder of the day in order to participate in after-school activities.
3. Any student suspended from school is also suspended from all activities on that day(s) as well.

Any student while a member of an extra-curricular activity involved in taking, dispensing, possessing, consuming alcohol, vapes or drugs; stealing, hazing, vandalizing during school or activities, as a participant or as a spectator will be subject to the following penalties in addition to penalties outlined in the Discipline Code:
 - a. First violation: The student shall lose eligibility for 2 weeks

 - c. If, after the second violation, the student becomes a participant of a school-approved treatment program, the student may be certified by the Principal for reinstatement in school activities.
 - d. If an officer/editor/leader of an activity is involved in violation of the above rule, that leadership position will be revoked.
 - e. If a student is involved in a first offense in one activity and then is involved in violation in another activity, the second offense penalty will be invoked.
5. Activity members must use the transportation arranged by the school to attend programs away from CHS. With the advisor's permission, activity members may return home with a parent or guardian.

8. In order to be eligible to compete during the first marking term, a student must have earned a final passing grade in four ten (10) credit classes in the previous academic year. **During the**

school year, students must have passed four ten (10) credit classes in the previous marking term to remain eligible.

9. All students participating in extra-curricular activities must pay the activity fee and fill out the Extra-curricular Activities Registration Form to receive their activity card. All students who register and pay are responsible for abiding by the preceding policy.

10. If a student misses, skips or does not attend their detention, he/she will not be permitted to attend ANY after-school event (i.e. Athletics, Dances, Clubs, or any school sponsored after-school activity) until the missed detention(s) are served.

Publications and Policy for Non-Authorized Publications and Circulations

Chelmsford High School authorizes sanctions or supports only in-house publications. At present the Chelmsford School Department supports two publications at the High School.

- The Voice (student newspaper)
- The Lion (annual yearbook)

The two publications noted above receive financial support in addition to human and technical support from CHS in their efforts. Parents, students and staff have an opportunity to express their views or position regarding one or both of these publications. The publisher and editor of each of these publications reserves the right to edit, censor or delete word or words, concepts, or articles which could offend the readers. The two in-house publications which are published at Chelmsford High School are circulated in the following manner:

- The Voice is distributed free of charge to the entire student body.
- The Lion is sold to all subscribers.

Non-Authorized

All other publications will be considered as non-authorized publications and NOT sanctioned for publication or circulation on school premises. If this practice is considered as a disruptive influence, it will be handled as follows:

- All copies will be confiscated and destroyed.
- Individuals responsible for the publishing and/or distribution of the publication will be disciplined accordingly.

Student Election Process

Since the major purpose of holding elections is to help students learn the step-by-step process of running for office, the following procedures have been established to achieve that goal.

- Notice of all elections for Student Government or special elections will be announced at least two weeks prior to being held.
- For school-wide or house elections, nomination papers must be completed by all those who choose to run. Nomination papers should be signed by members of the appropriate group indicated on the nomination paper. Nomination papers must be turned in by the candidate to the Student Council Advisor; they will not be accepted after the time and date specified as the deadline.
- Candidates for senior class office must make an oral presentation to a class assembly emphasizing their qualifications for office. Candidates for senior class office must attend

the Candidate Meeting, the date and time of which shall be specified prior to the speech assembly. If the candidate is unable to attend, it is the candidate's responsibility to report to a Student Council Advisor or to the Student Council Vice-President or President for the materials and information presented at the meeting.

- Candidates for office will be limited to six posters, not to exceed 24 by 30 inches in size, to be placed on walls in the core area of the building, i.e. in corridors near main office, stairwells, and dining rooms. These posters must be approved by an administrator before being displayed. No posters will be displayed in the classroom wings and the posting of campaign literature in classrooms will be not allowed. Candidates who do not comply with these procedures will have their names removed from the ballot. No flyers or handbills are to be posted or distributed in the election, with the exception of single handbills being allowed in classes with the approval of the teacher. Stickers are not to be used.
- Candidates cannot give gifts of any kind to constituents before, during, or immediately after the campaign and election process.
- Students may not run as a "ticket" and may not combine individual posters or anything else which would suggest that students are running as a ticket.
- A list of candidates and a description of appropriate offices will be displayed in appropriate locations throughout the school no later than three days prior to the election. Candidates are responsible for checking the list prior to the election and reporting mistakes to the Student Council Advisor, President, or Vice-President.
- All school-wide elections or house elections will be held during lunch or Plus blocks at CHS.
- Candidates for office will not campaign within 30 feet of the polling area when elections are being held, and campaigning for any candidate is not allowed within 30 feet of the polling area during elections. Candidates are not to be in the polling area except to cast their ballot. Violation of this procedure will result in the removal of the candidate's name from the ballot and loss of all votes cast for that candidate.
- Write-in votes will not be counted, since they circumvent the step-by-step process of running for office which is a major purpose of holding student elections.
- For officer elections, a majority will be required. If no candidate receives the number of votes needed to win the election, a run-off election will be held between the top two contenders.
- Vote totals for all candidates will be posted after tally. Candidates have 24 hours to contest results if they have reason to believe an irregularity has occurred. Advisors shall retain ballots for at least 3 school days after the election.
- It is the responsibility of all candidates to remove campaign materials immediately following the elections.
- Students who need clarification of any rules should seek advice from the Student Council Advisor or President before doing anything that may lead to disqualification.
- Students who do not follow all of these procedures will relinquish the right to be candidates for office.

School Dances

Dances are for Chelmsford High School students, so students may be asked to present their CHS IDs upon entrance . The only exceptions to the CHS student requirement are the Junior Cotillion and the Senior Prom. Students must be present the day of the event by 10:30 a.m. and remain in school for the remainder of the day in order to attend. *Once admitted, no one can leave*

the hall and be re-admitted without prior approval. All tickets will be sold in advance. Tickets will not be sold at the door unless previous permission has been granted by the Principal. No student will be admitted without a ticket. At each dance, there are faculty members who act as chaperones. They have the right to have any unruly or rowdy individual(s) removed from the premises. Chaperones have the right to restrict dancing which can be viewed as dangerous and/or offensive. No student will be allowed into a dance later than 60 minutes after the dance has begun, unless previous arrangements have been made through the Principal and/or Deans. All Student Handbook rules and regulations are in full force at all school dances. **Only current CHS students are permitted to attend regular school dances.**

School Sponsored Social Events

In addition to other disciplinary consequences (as identified in section x of this addendum), students who violate school rules may also lose the privilege to participate in future events.

CHS Clubs and Activities

Mission

Clubs and activities advances Chelmsford High's specific mission by allowing community members an expanded opportunity to a free exchange of ideas, to continue growing and learning, to realize greater potential. Respect of self and others, responsibility, and compassion are developed through membership. Students are encouraged to explore the many activities offered at CHS. We also encourage students once they have chosen activities in which they will participate to make a commitment to those activities by becoming active, attending members of the activities.

Bona Fide Club/Activity

A bona fide club or activity is one that has been approved by the Principal. Depending upon current student interest, some may not run during the current school year and others may be proposed and begin to meet. The Advisor for a particular club may also change. Listen to the daily announcements, read the Daily Bulletin and watch for signs in the hallways in order to stay informed about clubs and activities at CHS. Also, each club has a web page on the CHS site where information can be obtained.

A comprehensive listing of our clubs and activities can be found on the CHS web page by clicking the "Activities" link on the left side of the home page.

Code of Conduct for Class/Student Council Officers and Representatives

It is expected that students elected to the position of class officers and representatives will set an example for the student body through their behavior, conduct and leadership. Any behavior deemed inappropriate for class officers and representatives may result in removal from office by the Principal. In addition, taking, dispensing, or possessing drugs or alcohol, stealing and vandalizing in school or at school functions will automatically result in removal from office.

Interscholastic Athletics*

*Please note that excerpts are taken from the Athletic Handbook posted to the Athletics website. All students participating in inter-scholastic athletics are subject to the same rules and regulations of conduct and behavior as when in school.

Mission and Vision:

The goal of the Department of Athletics is consistent with the School's mission: *to foster PRIDE in the pursuit of excellence.* Athletics teaches life skills including **Perseverance, Respect, Integrity, Dedication, and Empathy.** Our goal is to provide a rigorous athletic program which complements and supports a challenging academic program by teaching students to persevere, to work well with others, and to compete at everything they do. The Department of Athletics strives for excellence as it develops the leadership capabilities of student-athletes in an environment that unites achievement in competition with academic excellence, sportsmanship, and community service.

Athletics are open to all students, providing they are in good academic standing, are good school citizens and are physically fit to participate. Participation in the program is a privilege which students can earn by maintaining these standards.

Pre-Tryout Requirements Necessary for Participation

- 1. Student-Athlete Registration** For each season of participation, a student must submit a complete the on-line Student Athlete Registration before his/her first practice session. The consent portion of the form **MUST** be completed with the parent/guardian. These forms are online at the Chelmsford Athletics Web page. Included in this form are acknowledgement of the student athlete handbook and the new concussion legislation passed in the summer of 2010.

How to Register: Go to <http://www.chelmsford.k12.ma.us/athletics>

Step 1: All students who plan to participate in athletics must have a physical examination within thirteen months of the start of each season. Per state law and the MIAA, physical examinations that expire result in immediate ineligibility until a new physical examination has taken place. A duly registered physician, physician’s assistant or nurse practitioner must perform physical examinations. Athletes **WILL NOT** be allowed to participate without having a physical examination in good standing.

Step 2: Read the Try-Out Clearance Info and Rules for Athletics and the State Mandated Concussion Procedures and Paperwork carefully. This is under the Athletic Clearance Information section on the left side of the Athletics web page.

***For Steps 3 & 4 both links are under the Registration Tab on the MCC site. To get to this site click on Athletic Registration and User Fee located on the left side of the athletic web page.**

Step 3: Fill out and submit the **Online Registration Form**. The link is on the left side of the Athletic Web Page. (Click on the **Season and Year Student Athlete Registration**)

Step 4: Pay your **User Fee** online. (Same link as above)

- The **User Fees** are due after teams are selected.
- **Football User Fees are due immediately.** (They must be paid before you can pick up your helmet).
- **If payment method is “Pay by Check,” a student-athlete will not receive his or her uniform until the check has been turned into the Athletic Office.**

Step 5: Once you complete these steps, you are registered and can fully participate in the Chelmsford High School Athletic Program.

2. Medical/Physical Exams

All students who plan to participate in athletics must have written proof of a current physical exam signed by a physician. Per MIAA regulations, physical exams are valid for 13 months. A student athlete will NOT be allowed to participate once an exam has expired. It is strongly recommended that an annual exam be scheduled in July or August of each year. Such an exam would cover a student for an entire school year.

- Athletes will not be allowed to participate without the completion of the Medical/Physical Exam and Participation Forms. No physicals will be provided by school.
- A medical history questionnaire (including information of all past concussions) must be on file and submitted through our On-Line Registration process.

3. Insurance

All members of interscholastic teams are covered by an “excess” policy that covers expenses your family plan might not cover, provided that the proper procedures are followed:

1. All injuries must be reported to the Athletic Trainer or nurse immediately. An accident report will be filled out by the Trainer or nurse and forwarded to the athlete’s parent(s)/guardian.
2. The insurance form needs to be completed by the parent/or a physician.
3. The parent/guardian must then file the report with the insurance company. All initial claims must be made within 90 days of the injury. It is a good idea to file a claim immediately just in case “excess charges” come about at a later date.

4. Academic Requirements for Athletic Eligibility

A student must secure during the last marking period preceding the contest (e.g. second quarter marks and not semester grades determine third quarter eligibility) a passing grade in the equivalent of five subjects. To be eligible for the fall season, students are required to have passed five major subjects in the previous academic year. The academic eligibility of all students shall be considered as official and is determined only on the date when the report cards for the ranking period have been issued to the parents of all students. Incomplete grades may not be counted toward eligibility. Summer school courses taken and passed to make up a failed course (or loss of credit) may be counted for fall eligibility.

5. Age Requirement (per MIAA rules 59 and 60)

A student shall be eligible for interscholastic competition for no more than 12 consecutive athletics seasons beyond the first completion of the eighth grade.

A student shall be under 19 years of age but may compete during the remainder of the school year, provided that his/her 19th birthday occurs on or after September 1 of that year. For freshmen competition, a student shall be under 16 years of age, but may compete during the remainder of the school year, provided that his/her 16th birthday occurs on or after September 1 of that year.

Athletic Fee

Once a student makes a team's roster- the required User Fee is due. The fee structure can be found on the athletic website. Fees must be paid by the team's first regular season contest. Financial assistance is available through the Athletic Department office. Students with an outstanding balance from a previous activity will not be allowed to try out for any sport.

Tiered Fee System:

1st Sport = \$300

2nd Sport = \$250

3rd Sport = \$200

Chelmsford High School Team and School Oriented Information

Tryouts/Team Selection

Students should understand that participation in athletics is a privilege. Students try out voluntarily and for some programs there is a risk of not being selected to a team. It is the judgment of the coaches which dictates the selection and number of participants for teams. Before the tryout process begins, coaches will provide an explanation of his or her expectations and tryout criteria. It is the student's responsibility to demonstrate that he/she can meet those expectations. Only official tryouts sessions will determine an athlete's placement on a team. Students who do not make a team will be informed as to the reasons by the coach. Students are encouraged to try out for another team if there is space and final cuts have not yet been made. Any athlete that chooses to change from one sport to another after teams have been chosen must receive consent from both coaches and the Director of Athletics.

Team Commitment:

Each Member of our athletic teams MUST:

1. Commit to be present at all team activities including try-outs, practices, meetings and contests with other schools.
2. Dedicate themselves to becoming excellent team members and a positive representative of Chelmsford High School
3. Strive to continually improve as an athlete.
4. Demonstrate pride in team performance and in themselves as members of a team.

Student athletes must commit to be at all practice sessions, contests and team meetings. Practices are held daily after school as appropriate to the activity. Many team's practice and games may be held on weekends. Any team member who must be late, or miss practice, games, or meetings must confer with his/her coach, prior to the conflicting practice/game. Practice and game schedules, particularly in the case of winter and spring sports, include school vacation weeks. Students and families should take this into consideration when students are deciding to try-out for a team.

School/Family Vacations, Extended Absences

Every team member is expected to be present for all team practices and games. Because of scheduling parameters, many of our teams practice and/or play during scheduled school vacations. Student-athletes, who plan to be absent for an extended period of time due to vacation or a planned extended absence, must discuss this situation with the coach prior to trying out for the team.

Daily Team Attendance

It is extremely important that a coach be notified if a student-athlete is not going to be present at a practice or game. Practice is where plans for upcoming contests are developed and perfected. The coaches in our program expect their athletes to be present at all team activities. Suspension or dismissal from the team may take place as a result of such absences.

Student-athletes are excused from team activities for academic or religious reasons, family emergencies, illness or injury. Prior notification to the coach is expected!

Playing Time

Playing time is determined by practice attendance, attitude, commitment, and athletic skill. It is the coach's responsibility to decide which athletes should start a contest, who should play what position, and how long each athlete should play. These coaching decisions are made only by the coaching staff and are approached very seriously after having observed the athletes in practice sessions, game like situations, scrimmages, and actual games.

Team Captains

A captain's position is a privilege and not a right. Before accepting the captain's role, please realize that it comes with greater responsibility than other members of the team. Coaches decide how team captains are selected based on identified criteria. This may include character, coach-ability, communication skills, athletic ability, etc. They may be elected by the team or appointed by the coach - this process is communicated to the students ahead of time. Captains may also be appointed on a game-by-game basis. It is expected that team captains be the leaders of their team and should be ready to assume duties as outlined by their coach. Captains are expected to communicate with the coach, team, and Athletic Director in the event of any problems that may affect the team or its members. Captains may be asked to meet with the Athletic Director, and/or Principal during the school year to discuss the athletic program. Captains of team may be relieved of their position for violation of team, athletic department, or school rules.

Only Senior and Junior Student-Athletes are eligible for Team Captaincy. While a Junior can be named captain, they cannot be named until the beginning of the season for that sport.

Team Rules and Regulations

At the start of the season a coach, with the approval of the A.D., may issue a set of team rules. It is recommended these be written and distributed to all team members. These rules, which are not to be in conflict with any school or MIAA policies, may vary to reflect the nature of the sport and the practice/competition schedule.

CHELMSFORD HIGH SCHOOL REGULATIONS

At Chelmsford, student-athletes are expected and encouraged to maintain the highest level of scholastic achievement possible. They are also expected to maintain the highest level of citizenship. Students competing for Chelmsford High School, as members of an athletic team must remember that they are representing the school at all times. They must conduct themselves in an exemplary manner during the school day, at practice sessions, and at athletic contests. Failure to comply will result in disciplinary action. To promote these goals, the following are in effect:

Academic Achievement

Student-Athletes are students **FIRST**. Scholastic "extra help" sessions and make-up work are expected to be completed as soon as possible. On a practice day, students should stay after school to complete work whenever necessary. Coaches should be informed by students, in advance, when practice time will be missed due to academic obligations. Once the obligations are complete, students are expected to report to practice as soon as their academic obligations are met. If a student did not give advance notification to the coach, students should ask their teacher for a note explaining their tardiness. Coaches may ask athletes for written "*Academic Progress Reports*" to help monitor academic eligibility.

School Discipline Obligations

Student-athletes with school disciplinary obligations are expected to fulfill those obligations before reporting to an athletic practice/game. Students cannot expect, and should not request, disciplinary action to be postponed or canceled for any athletic reason. *The athletic department reserves the right to remove or suspend a student-athlete from a team for disciplinary problems. It is expected that our student-athletes be model citizens both in and out of school.*

School Attendance and Tardiness

Students are expected to arrive to school by 7:15 AM; students who are tardy may not be able to compete that day. All students must check into school by 10:30 AM and remain in school in order to participate in an athletic contest or practice on that day. If a student has an unexcused absence on Friday, they are not allowed to practice or compete in a contest on Saturday or Sunday.

Athletic Trainer/Training Room

Chelmsford contracts a full time, licensed Athletic Trainer (AT/L) to evaluate, treat, and rehabilitate athletic injuries as they occur. The Athletic Trainer provides medical coverage for most athletic contests and practices.

The Athletic Trainer is available to student athletes from 2:00pm until duties and responsibilities are completed. The Athletic Trainer will be on site for home contests, on weekends and school vacations. In the event of an injury, the Athletic Trainer will evaluate and recommend the direction of care, and clearance level. For specific questions regarding student-athlete health care, please contact the Athletic Trainer.

Athletic Injuries

All athletic related injuries must be reported to the Athletic Trainer or coach immediately, and an injury report placed on file. ***Subsequent to any serious athletic injury and prior to any further participation in a sport, students must provide signed medical release from a physician.*** The licensed Athletic Trainer will clear the athlete for participation only when this requirement has been met.

Hazing

Hazing is any conduct or method of initiation into any student organization or team, which willfully or recklessly endangers the physical or mental health of any student or person. Hazing is a crime under Massachusetts Law and will not be tolerated. (See Mass. Gen. L. Chapter 269, Section 17 through 19). There is to be **NO** initiation of any kind to be a member of any team at Chelmsford High School. Students and coaches found in violation may be dismissed from participation in the athletic program.

Chemical Health and Athletic Conduct Penalties

Any student who is a member of an athletic team involved in taking, dispersing, or possessing alcohol, drugs, or tobacco products, stealing, hazing, (see above), or vandalizing from the first allowable day of fall practice, through the end of the academic school year will be subject to the following penalties in addition to school invoked penalties:

First Violation: When the Principal confirms, following an opportunity for the student to be heard, that a violation occurred, the student shall lose eligibility for the next consecutive inter- scholastic contests totaling 25% of all interscholastic contests in that sport. For the student, these penalties will be determined by the season the violation occurs. All fractional parts of an event will be dropped when calculating 25% of the season. It is recommended that the student be allowed to remain at practice for the purpose of rehabilitation.

Second and subsequent violations: The student shall lose eligibility for the next consecutive interscholastic contests totaling 60% of all interscholastic contests in that sport.

- If after the second or subsequent violations the student of his/her own volition becomes a participant in a school approved chemical dependency program or treatment program, the student may be certified for reinstatement in MIAA activities after a minimum of 40% of events. The director or a counselor of a chemical dependency treatment center must issue such certification.
- If a captain of a team is involved in a violation of the above rule, the captaincy will be revoked.
- If a penalty period is not completed during the season of violation, the penalty shall carry over to the student's next season of actual participation, which may affect the eligibility status of the student during the next academic year.
- If a student is suspended for a first offense in one sport and then is involved in a second violation in another sport, the second violation penalty will be invoked.

Language or gestures

Profane, derogatory, and abusive language or gestures during any team related or school activities are strictly prohibited.

Sportsmanship

Chelmsford High School expects **ALL** parties at a contest to display the highest possible level of sportsmanship before, during, and after athletic competitions. Players, coaches, and spectators are to treat opponents, game officials, and visiting spectators with respect and class. The MIAA reserves the right to "warn, censure, place on probation, or suspend any player, coach, game, school official, or member school determined to be acting in a manner contrary to the standards of good sportsmanship". Chelmsford High School reserves the right to impose the same penalties on spectators, athletes, or coaches displaying poor sportsmanship at any athletic contests, home or away.

Disciplinary Action

Students found in violation of this handbook, the Chelmsford High School handbook or any MIAA regulations may face disciplinary action. Infractions must be reported to the Athletic Director or other Chelmsford High School administrator. Reported infractions will be thoroughly reviewed. Any student suspended from school is also suspended from the team during that time. Final disciplinary decisions will rest with the Principal.

Transportation

Team members must use the transportation, when provided by the school, to all away athletic contests. With the coach's permission, team members may return with a parent or guardian. Some teams practice offsite, it is the responsibility of the parent/guardian to provide or arrange transportation to those offsite locations. Sometimes teams will travel overnight or out of state to compete in interscholastic athletic practices or contests. In this case coaches will have students sign the necessary forms to attend.

Athletic Facilities/Building Access

No student will be allowed access to any of the athletic facilities without supervision by a school staff member. When open and supervised, the facilities are available for all students unless they have been reserved as an in- season site for practice/competition. Students are expected to respect the locker room facilities, showers, and general areas of the athletic facilities. Please take pride in the facilities by using trash barrels and keeping the areas in good condition. Glass containers of any kind are not allowed in the locker rooms or gymnasiums at any time.

Locker Room/Security

Students have an obligation and responsibility to care for all athletic equipment issued to them, as well as personal belongings. Equipment and uniforms should be stored in a locked locker at all times when not in use. **Chelmsford High School cannot be responsible for lost or stolen belongings of student- athletes.** In the event of items being lost or stolen the student must contact the coach immediately. Please lock all belongings brought into the locker rooms. In the event that your assigned locker does not work properly, contact your coach immediately.

Equipment/Uniforms

Equipment and uniforms are handed out to the student-athletes by their coaches. Full uniform is required for all contests. For specific questions regarding equipment or uniforms, please contact the team coach. Payment for lost equipment or uniforms is required at the time of loss. No student will be allowed to try out for another sport, or graduate from Chelmsford High School until all outstanding equipment/uniforms has been returned, or payment for lost items has been received by the Athletic Director.

Athletic Awards

Below are the firm guidelines, which will govern the distribution of awards. The CHS Boosters Club will provide standardized awards for athletes and/or teams participating in varsity sports. Junior varsity athletes and/or teams will receive only those awards which are specified. Only those students whose activities are part of the Athletic Department budget will be eligible for awards. All athletes are expected to attend the seasonal Awards Night.

Varsity Jackets

In April of 2021 the Booster Club decided to discontinue the purchase of jackets for athletes due to cost. With the loss of revenue for 18 months for the booster club it would become impossible to furnish all players with jackets. As a result the Booster Club will now direct their funds towards helping teams directly and for facility upgrades.

Varsity Jackets will still be available to purchase from Center Sports in Chelmsford. The Booster Club will distribute a process for which jackets can be ordered through Center Sports and deadlines for fittings/payment. Players will receive their varsity letters at Awards Nights as well as the patches for their jackets of the sports they have competed in to go on their jackets.

Players will now be able to purchase and wear a jacket after their first Varsity Season of a sport and add to that jacket throughout high school. Currently players could not receive a jacket until they have received 2 varsity letters per sport on top of participating in 50% or more of Varsity Contests. This will allow the student-athletes to get more use out of their jackets.

If there are student-athletes who would like a jacket but cannot afford the jacket, they can apply to the Booster Club for financial help and the Booster Club will review on a case by case basis.

Trophies and Plaques for Scholar Athlete, Most Improved and Most Valuable will be awarded to the athletes deserving of the award as selected by the coaching staff or team vote. In addition, special coaching awards may be given to a student-athlete in recognition of outstanding achievements, dedication, specific accomplishments, devotion or other extraordinary characteristics not provided for in standard awards.

Team Banquet Guidelines

Team dinners and banquets are not sanctioned by the athletic department.

Smartphone/Cell Phone

The use of cell phones has become commonplace among student-athletes. Students are strictly prohibited from using cellular telephones with camera or photo capability in locker rooms or restrooms. Any student-athlete found inappropriately using cell phones with camera or photo capability in a restricted area will have their phone confiscated and face disciplinary action as per the CHS Student Handbook.

Social Media

As an educational institution, Chelmsford High School supports the rights of individuals to free speech. However, the student-athletes should be concerned with any behavior that might embarrass themselves, their families, their community, and/or Chelmsford High School. This includes activities online through social networking sites.

Participation in athletics at Chelmsford High School is a privilege, not a right. As a student-athlete, you are representative of the school and the community, as such; you are always in the public eye. This fact places certain additional demands on how you must live your life. Keep the following guidelines in mind as you participate in any of type of media:

1. Before participating in any online community, understand that anything posted online is available to anyone in the world. Any text or photo posted online is completely out of your control at the moment it is placed online, even if you limit access to your site.
2. You are not to post information, photos, or other items that could embarrass you, your family, your team, the Athletic Department or Chelmsford High School. This includes items that may be posted by others.
3. Be aware of who you add as a friend to your site. Many people are looking to take advantage of student-athletes or seek connection with student-athletes to give them a sense of membership on a team.
4. Coaches and athletic department administrators can and do monitor these websites. Disparaging remarks about teammates, coaches, opponents, or school officials can serve as grounds for suspension from competition or dismissal from teams, as well as legal ramifications.
5. Student-athletes will face disciplinary measures for violation of team policies, athletic department policies, MIAA guidelines and/or state and federal laws. Any admission of conduct in violation of any of these policies or laws found on a student-athlete's website will subject him/her to disciplinary measures. Any depictions of conduct in violation of any of these policies or laws found on a student-athlete's website will be subject to a full investigation.

Keep in mind that colleges and employers also monitor these sites. You should be aware that any information posted on these websites may prevent you from obtaining a job or attending the college of your choice.

MIAA Rules and Regulations

All Chelmsford athletic teams will follow the rules set forth in the current MIAA handbook, available at www.miaa.net. Student-Athletes, coaches, and parents are responsible for adhering to all MIAA rules and regulations. Below are summaries (exact rules can be found in the MIAA handbook) of some key rules:

Rule 40-Out of Season Activity

A Coach may not directly or indirectly require a student- athlete to participate in a sport or training program outside of the MIAA defined sports seasons. "Captains Practices" are not in any way sanctioned, encouraged, or recognized in any sport by the MIAA or Chelmsford High school.

Rule 45- Loyalty to the High School Team: Bona Fide Team Member Rule

A student must not miss a high school practice or competition to compete in any MIAA recognized sport for non-high school team. Violations will result in a suspension of 25% of scheduled contests.

Rule 48 and 49 Sportsmanship/Taunting

Students, coaches, and spectators can be ejected or suspended from a contest(s) for taunting, intending to injure another player, fighting, or other unsportsmanlike conduct.

Rule 51 and 58 - Student Eligibility

Discusses the minimum requirements for students to be eligible for competition. Chelmsford High School stipulates that a student must pass 5 academic classes per quarter in order to remain eligible for competition. Please refer to our CHS Handbook for the complete rules.

Rule 62 - Chemical Health/Alcohol/Drug/Tobacco

This rule is in effect from the first practice date for any sport in the fall until the completion of the final sport team in the spring or the end of the academic year, whichever comes last. Once found in violation of the Chelmsford High School Chemical Health Policy (Page 11); students will be assessed the Chelmsford High School penalties regarding school sponsored events (for example: dances, other teams sporting events) AND will lose contest eligibility based on MIAA Rule 62. Students found in violation will not be able to participate in scrimmages or play days until their full penalty has been served.

Chelmsford High School students are expected to act in an appropriate, respectful and responsible manner in all school related settings such as the cafeteria, the hallways, classrooms, buses, or at assemblies, performances or athletic contests (regardless if they are at CHS or hosted by another school/venue). If it is necessary for a person in authority to remind a student to behave appropriately, respectfully and responsibly, it is expected that the student will politely comply.

Card Playing and or Gambling

Card playing (for gambling purposes)
or gambling of any kind is strictly prohibited at Chelmsford High School.

Dress

Chelmsford High School does not intend to interfere with individual taste in student dress. However, there are standards by which all students must abide:

1. Student dress should be in good taste and appropriate for a school setting. Clothing which is distracting/disruptive to the learning process is inappropriate. Bare midriffs and low-cut necklines are not acceptable school wear.
2. Wearing clothing that includes words, pictures, labels, etc. that are vulgar, suggestive of vulgarity, promote or advertise alcohol, drugs, prejudice, obscene behavior, or other inappropriateness is prohibited at Chelmsford High School.
3. The health and safety of our students is a primary concern. To protect a student's feet from injury and the possibility of disease, shoes or sandals must be worn. Appropriate footwear must be worn for physical education. Any clothing or accessories that could be hazardous to the student or others are prohibited. Studs are not allowed on clothing or book bags, or any other accessories brought onto school grounds. **FOR IDENTIFICATION PURPOSES AND FOR THE SAFETY OF ALL INVOLVED, HOODS SHOULD NOT BE WORN IN THE BUILDING.** However, wearing hats in the classroom is at the discretion of the classroom teacher.

The Principal is the final arbiter in determining whether or not student dress is inappropriate. Students who wear inappropriate clothing will be sent home to change. Repeated violations will result in suspension and a parent conference. Chelmsford High School emphasizes that we do not want to become the fashion police and recognize that nearly all students dress (very) appropriately

every day. This should be a non-issue and we hope and expect that the very broad and reasonable guidelines set forth in this policy can and will be easily adhered to by all students.

Cell Phones, Smart Phones, and/or Electronic Devices

Schools exist for the main purpose of education. That goal cannot be achieved if the student's focus is being drawn away from the tasks at hand. With the preponderance of technological devices, and availability of to retrieve, share, and analyze information on these electronic devices, these tools should be used to enhance the learning experience for our students. As such, these devices cannot be used in classrooms. Cell phones may be permitted in specific classes where its use is warranted. (Digital Photography, Digital Filmmaking) Students are expected to comply with the classroom expectations set forth by their instructors regarding the use of this technology.

With the potential for these devices to compromise the academic integrity of tests, quizzes, and other assessments, students are reminded to keep these devices away during assessments unless consent is provided by the classroom teacher. If a student is found to have a device out during a test, the electronic device may be confiscated and the student may be subject to the consequences outlined in the honor code section of the handbook.

If a student needs to contact home, they should see their Dean to receive permission to use the phone in the house office. Conversely, in the event that a parent needs to speak with a student, the parent should contact the house office.

Any student using an electronic device in violation of classroom policies will be reminded to put the device away. Violations will result in additional consequences that may include confiscation for a class period, confiscation for a school day and/or contacting the parent to arrange for parental pick-up of the device.

Sexual Harassment Code of Conduct for Students

Please refer to the District Handbook.

Technology: 1:1 Initiative or Bring Your Own Device

In the high school, all students are provided with a chromebook. Students are allowed to bring their own personal computing devices with them as well to school. The following simple guidelines are in place to ensure that students are responsible and respectful users of these devices so that all learners may benefit from wireless access as part of the instructional program. Bringing a personal computing device to school is a big responsibility. Parents and students in the high school should consider together whether or not it is the right choice for an individual student.

- Only use your personal computing device in class when your teacher gives permission
- Always be fully engaged in your class work
- Know and respect the responsible use guidelines for technology –they apply to your own personal computing device
- Secure your personal computing device in your locked locker when it cannot be with you
- Inappropriate usage of personal computing devices will be addressed according to the procedures articulated in the disciplinary procedures

Frequently Asked Questions:

Q: When can I use my personal computing device in the high school?

- Before/After School - Yes
- In class when my teacher approves - Yes
- During lunch - No

Q: Where can I use my personal computing device at school?

- Classrooms, Learning Commons

Q: Where shouldn't I use my personal computing device at school?

- Cafeteria, Locker Room, Gymnasium, During Assemblies
- Personal computing devices should be locked in your locker when not in use.

Q: What if I don't have a personal computing device? Will I miss out on instructional opportunities?

- Absolutely not! Students are not required to bring their own personal computing devices, even if they own one. Students who do not bring personal devices will be provided with a school-owned computing device when digital tools are being used to enhance learning in the classroom.

Q: What if something is wrong with my personal computing device or I don't know how to use a program?

- Our technology staff is **not** able to repair or troubleshoot personal computing devices for non-connectivity issues. Make sure that your personal computing device meets the minimum technical specifications for connecting to our wireless network and that you are familiar with the programs and applications you want to use for your personal productivity at school. If you just can't get something to work, set up an appointment to see Dr. Sweeney or Mr. O'Sullivan in the high school technology office. They will work with you and our technology staff to find the best solution.

Q: What if my personal computing device is stolen?

- We expect that our students will demonstrate good judgment and take the proper steps to ensure the security of their personal devices while at school. We recommend that you label or engrave your name on your personal computing device and use your device's password protection feature. If you cannot have your device with you (such as at P.E., in the cafeteria, during after school activities, etc.), you must secure it in your locked locker. As with all personal items, students bring electronic devices to school at their own risk. The Chelmsford Public Schools cannot be held responsible for stolen, damaged, or misplaced items.

Unauthorized Recordings

The unauthorized recording and/or the distribution of voice recordings, photographs, or videos of staff or students, at school, on buses, or at a school function, will result in a suspension of up to five (5) days and possible notification of the proper authorities.

School Attendance Philosophy

Chelmsford High School provides a full and varied education program and a wonderful opportunity to grow academically, socially, emotionally, and physically. In order to experience the full breadth of what the school has to offer, you must maintain regular attendance. Much of what you learn in school focuses on exchanging ideas with both peers and teachers, being able to orally defend your position on a certain subject and discovering through interchange in laboratory situations. These learning experiences are lost when you are not in class/school. As such, your parents or guardians share in the responsibility of supporting you to develop and maintain strong attendance habits necessary for success in high school and in your future college and career. Also, Massachusetts General Law (Chapter 76, Section I) states: *"that every child between the minimum and maximum ages for school attendance, as established by the State Board of Education, shall attend a public day school during the number of days required by the Board in each school year."* Under the Education Reform Act of 1993, students must complete 990 hours of learning time per year.

Attendance Policy

Credit for courses is based on classroom attendance and academic performance. To comply with the state requirement as well as our own goal of a 95% attendance rate, a student cannot be absent in excess of **6** days per semester. Once a student reaches 6 classroom absences in a semester, the teacher will call the parent, follow-up with an email and notify the student's Dean. Any student who has an excess of 6 absences (excused or unexcused) in a course in a semester will receive No Credit for that course for that semester. This will be recorded on the student's report card as an "N" for no credit due to attendance. Any student who fails to earn credit for a semester due to poor attendance shall have the right to appeal that decision to the Principal or his/her designee. The Principal or his/her designee will review the appeal initiated by the parent/guardian and or student and render a timely decision based on documentation and testimony provided during the hearing. Attendance information is available on both the student and family portals for review, and students should review their attendance frequently. Questions about class attendance should first be directed to the teacher of the class before contacting the student's dean.

Parents are required to contact the student's House Secretary by 9:00 a.m. to report their child out for all or part of the day. This will be recorded as an excused absence. In the absence of a phone call, within two days of returning to school from an absence, a student is required to present to the appropriate House Office a dated note signed by a parent or guardian indicating the **REASON** for the absence. The student must retain the note in the event it is needed. If a note is not presented within two (2) school days, the absence will be recorded as unexcused. **When a student returns to class, make-up work will be given, but credit for the make-up work will not be awarded until the absence is marked as excused in X2.** Only notes from doctors or legal documentation will be *exempt* from the attendance policy. School Administration will make the final decision regarding student attendance exemptions. All other absences count towards the total number of absences for the semester. When a student is absent, he/she will not be allowed to participate in any athletic or other extracurricular activity on that day.

Attendance and special circumstances

It is recognized that, in certain circumstances, students may need to be out of school and that no option or alternative is possible. We do, however, strongly encourage doctor and dentist appointments, college interviews, college tours, and other personal appointments be scheduled after school hours or on weekends. All absences will be considered unexcused until a parental note explaining the absence is presented to the house secretary.

Absences due to family vacations or business trips will count toward the attendance policy. A written request for trip absences must be submitted to the student's dean two weeks prior to the absence. That request must state the reasons and dates of the proposed absences. School Committee policy discourages family or student vacations while school is in session. Parents should consult the school calendar prior to making any vacation plans. The student, upon return, is responsible for contacting his/her teacher(s) to discuss missed work and make-up procedures. The teacher is not obligated to provide assignments while the student is not in school.

Any student returning from extended absences due to personal problems requiring a doctor's care must schedule a re-admittance conference with his or her Dean and/or Guidance Counselor and present a written medical report from a doctor that states the student's condition no longer prohibits attendance in classes, or clarifies what provisions must be taken before official re-admission will be granted by the appropriate Dean. Copies of medical documentation should be provided to the School Nurse.

Seniors and Juniors should schedule college visits when school is not in session. In the event that this cannot be accomplished, Seniors and Juniors must complete the official form for college visits from their guidance counselor. This form requires teacher and parent approval. In addition to the parental signature, parents must approve of the means of transportation that students use on the given day. Due to the importance of school attendance, seniors and juniors will be limited to three visits per semester. The student should bring back a stamped note from the college upon returning the next day.

Any underclassman who plans on attending the Senior Prom is expected to be in school the day of the prom. Any student who does not attend school on the day of the prom will not be permitted to attend this event.

Appeals Process

If a student has demonstrated adequate expected responsibility for his/her attendance but has nonetheless exceeded the allowable number of absences due to circumstances beyond his/her control, this fact may be brought to the attention of the administration.

The procedure for the appeals process is as follows:

1. An appeal must be initiated by a written request by the parent/guardian of a student, or by the student (if 18 years of age or older), who has exceeded the absence limitations. The written appeal should include, but may not be limited to, the unusual circumstances which warrant such an appeal. The appeal should be addressed to the Principal and must be initiated within ten school days of the time that the student is notified of his/her failure to comply with the attendance policy.

2. The Principal or his/her designee will meet with the student and his/her parent or guardian to review the appeal and render a decision. Each decision shall be made within five school days, and a written copy of the decision shall be forwarded to the student and his/her parents or guardian.
3. The parent/guardian or student has the right to appeal the decision of the **Principal or designee**, within five school days of receiving the decision, to the Superintendent of Schools.

Consequences for Unexcused Absences

Students absent from school or class without a reason that is considered “excused” will have the following consequences applied:

1. Students who are absent from class or school for a reason NOT excused by the Dean or Principal will not be allowed to make up work for the class or day missed and will receive no credit for any assignments/ tests/quizzes due that day.
2. Students who CUT a class may also be subject to the following consequences:
 - 1st cut: Up to 3 days after school detention and parent notification.
 - 2nd cut: Up to 6 days after school detention and parent notification.
 - 3rd cut+: One day of suspension, a parent conference, possible loss of school privileges (i.e. student parking).

Dismissal

No student is to be dismissed from school without a written excuse from a parent/guardian/independent student. The student will present a dismissal note to his/her House Secretary as soon as he/she arrives to school on the day of a dismissal. Only excuses for medical reasons or extraordinary circumstances will be accepted. Telephone dismissal by parents/guardians will only be considered for extreme emergencies. With telephone dismissals, parents/guardians are required to report to the Vestibule to sign out the student. In case of health emergencies, the parent is required to report to the Nurse’s Office to sign out the student and the School Nurse will notify the administrator. Parents are reminded that the decision to dismiss a child rests with the parent or school personnel. In the event that your son/daughter contacts you requesting to be dismissed because he/she doesn’t feel well, please direct your child to report to the school nurse.

Dismissals without a note, the parent or guardian must report to the Vestibule to dismiss their child.

Tardiness

The educational community at Chelmsford High School feels strongly that there is no acceptable excuse for being tardy to school. Students late to the class during which official school attendance is taken (first class of the day) will be marked as tardy to school, as well as tardy to that class, and must present a parental note explaining the cause for the tardiness. Students reporting tardy to school after the official attendance has been taken must enter the school through the front doors and be buzzed into the building. They should then report to their house office and receive a tardy pass and proceed directly to their assigned class. Students MAY NOT go to the cafeteria, library, gym area, or anywhere else without a pass.

The student will be issued an official tardy admittance pass to the student's next class and his or her arrival time will be officially documented. Students tardy to school and/or classes will have the following consequences applied:

- Students who report to school after 7:19 a.m. must report to their house office BEFORE going to class.
- Students will not be admitted to class without a pass from their house office.
- Students will be marked tardy after 7:19 a.m. by their classroom teacher.
- In order for seniors to be exempt from finals they must have an 85 average and no more than 6 tardies. For students with 6 or more unexcused absences, they must have an average of 90 or more in order to be exempt from finals.
- At the 6th tardy the student will be given an after-school detention.
- At the 9th tardy the student will be given 3 detentions and/or lose parking for one week.
- At the 12th tardy the student may be suspended and/or lose parking for two weeks
- Tardies beyond 12 additional parking suspensions can be imposed or parking permission can be revoked at the discretion of administration.

Consequences for Unexcused Tardies:

If a student misses, skips or does not attend their detention, he/she will not be permitted to attend ANY after-school event (i.e.. Athletics, Dances, Clubs, or any school sponsored event) until the missed detention(s) are served.

Students are not to go anywhere in the building until they have been officially recorded in school. Any student who arrives late, does not check in at the House office, and fails to attend class will be assessed a cut class and issued detentions.

VIII. Academic Procedures

Academic Honor Code

At Chelmsford High School, students are expected to maintain high moral and ethical standards, as exemplified by the final sentence of our mission statement: *"A spirit of respect is fostered, as members take responsibility for their actions and acknowledge the rights and differences of others."* (CHS Mission Statement)

Students should respect themselves, other students, staff members and the school. The acts of cheating and plagiarism violate expectations that students will exhibit respectful, ethical behavior.

The Academic Honor Code exists to address the issues of cheating and plagiarism.

Cheating

The following will be considered cheating:

1. Homework: A student is cheating when he or she copies or borrows another student's homework.
2. Any form of assessment (e.g., quizzes, tests, research papers, theme papers, lab reports, mid-year and final exams, projects): A student is cheating when he/she gains any information from another student by any means or from any unauthorized materials or devices.

3. Grades: A student is cheating when he/she changes a grade or answer on any form of assessment.
4. Attempted cheating.
5. Knowingly allowing another student(s) to cheat.

Plagiarism

Plagiarism is a form of cheating. Alexander Lindey has defined plagiarism as: "...the wrongful act of taking the product of another person's mind and presenting it as one's own...To use another person's ideas or expressions in your writing without acknowledging the source is to plagiarize. Plagiarism, then, constitutes intellectual theft." (Lindey, Alexander. Plagiarism and Originality)

The following will be considered plagiarism:

1. Buying or downloading a paper from a research service or a term-paper mill and offering it as your own.
2. Turning in another student's work, with or without that student's knowledge, as your own.
3. Copying any portion of another's work without proper acknowledgement.
4. Paraphrasing ideas and language from a source without proper documentation.

Consequences for Cheating or Plagiarism

1. School policy is that the student will receive a zero for the entire assessment. A student will not be allowed the opportunity for make-up of any kind. The classroom teacher does, however, have the final decision on the consequence for this violation. Teachers will clearly define any modification to this policy in their course expectations.
2. A conference may be held with the student, teacher, and the student's Dean.
3. Parents/guardians will be notified of the Academic Honor Code offense by the teacher.
4. Students will be required to attend an after-school session on cheating and plagiarism.

Exception: The definition of plagiarism given above includes "Paraphrasing ideas and language from a source without proper documentation" (definition number 4). In violations that pertain to this type of plagiarism, the teacher, in consultation with the student's Dean, will determine the consequences. The purpose of the consequence in this case will be to teach the proper way to attribute sources in academic work. *The teacher will use his or her professional expertise to determine whether or not the offense relates to definition number 4.*

Cheating and plagiarism are serious offenses that may affect standing in Honor Societies, school sponsored events, eligibility for scholarships, and may also jeopardize character references and letters of recommendations. The school reserves the right to assign additional penalties for subsequent offenses up to and including suspension and expulsion.

Preventing Cheating and Plagiarism

Students

1. Avoid situations which might contribute to cheating and/or plagiarizing.
2. Avoid unauthorized assistance on all schoolwork.
3. Avoid plagiarizing by properly citing all sources, acknowledging information, ideas, or

patterns of thought borrowed from any source; and consulting faculty about any questionable situations.

Note: If the student found in violation of the Academic Honor Code wishes to appeal the consequences of this code, he/she may request that the Academic Honor Committee be convened to review the matter. This request for appeal must be submitted in writing along with any and all supporting documents to be used as evidence to the student's Dean within seven school days.

Parents and Guardians

1. Have knowledge of the Chelmsford High School Academic Honor Code as it appears in the student handbook.
2. Provide a positive example for adhering to the Academic Honor Code.
3. Support faculty and administration in enforcing the Academic Honor Code.

Note: If the parents/guardians of the student found in violation of the Academic Honor Code wish to appeal the consequences of this code, they may request that the Academic Honor Committee be convened to review the matter. This request for appeal must be submitted in writing along with any and all supporting documents to be used as evidence within seven school days to the student's Dean.

Teachers

1. Review the Academic Honor Code with students during the first week of each semester.
2. Review the concept of plagiarism and citing sources when giving assignments.

GRADUATION REQUIREMENTS

In compliance with the requirements set forth by the Commonwealth of Massachusetts and those affiliated with the recognition of Chelmsford Public Schools as a Federal Race to the Top school district, CHS will be shifting graduation requirements over the next few years to align with MassCore. In accordance with the change, MassCore provides a course of studies to better prepare students to meet the career/college readiness standards. Given the rigorous standards CHS already employs, the shift impacts students in mathematics and in the fine and performing arts.

In addition to meeting the CHS course requirements below, all students in the Commonwealth are required to meet certain performance criteria on the Massachusetts Comprehensive Assessment System (MCAS). To receive a high school diploma, students must meet the minimum score established by the state in ELA, Math, and Science in order to successfully meet the threshold for graduation.

Department/Academic Area	Classes of 2023, 2024, 2025 & 2026
English	40 credits *
Mathematics	40 credits
Science	30 credits
Social Studies	30 credits **
World Language	20 credits ***
Arts (Fine/Performing/Practical)	15 credits ****
Physical Education	10 credits
Health Education	10 credits
Other Courses/Electives	45 credits
Total Credits for Graduation	240 credits

* Writing for High School and Reading for High School are required for 9th graders who are in English 9.

** Requirements: World History 2, US History 1 & 2.

*** Two years of the same World Language.

**** **At least 10 must be from Fine/Performing and at least 5 credits from Practical Arts**

Please note: 10 Credits are awarded for the successful completion of a full year course; 5 Credits are awarded for the successful completion of a semester course.

For a student to make successful progress toward graduation requirements and remain on par with her/his grade level, she/he must earn a minimum of 60 credits per school year. **Seniors, in addition to meeting all other requirements, you must earn at least 60 credits in your senior year.**

COURSE LEVELS

All of our courses are designed to prepare our students for the rigors of college and other post-secondary paths. Students will receive teacher recommendations regarding the course level in sequential subjects within departments. Students earning a previous grade of D or an F may not be able to continue in their current level or sequence unless recommended or approved by the teacher. The following course level descriptions are provided as a general guideline to students and parents to help determine the most appropriately challenging course level for students to participate. More detailed descriptions can be found within the specific course descriptions on the pages that follow.

All offered courses (except those considered not predictive of future academic achievement in college) are assigned a level according to the following criteria:

LEVEL AP: Advanced Placement Courses

Advanced Placement (AP) courses are designed to move at a faster pace, cover a broader and potentially deeper curriculum than the Massachusetts Curriculum Frameworks articulates, and require significant independent work both inside and outside of the classroom. Successful students in these courses have a strong track record of high academic achievement as evidenced by academic grades in previous courses, standardized test scores, and motivation in the classroom. Students can typically grasp concepts from the initial presentation. As a result, little class time will be spent practicing and/or reviewing concepts, but rather will be dedicated to extensive analysis, synthesis, and problem-solving. Students are expected to independently seek help and to organize and to budget their time for long-term assignments. The AP program is offered in the specific interest of three groups: secondary school students who wish to pursue college level studies while still in high school, schools that desire to offer these students the opportunity to do so, and colleges that wish to encourage and recognize such achievement.

AP Courses are offered in Art Portfolio, English, Calculus, Music Theory, Biology, Chemistry, Physics, US History, World History, American Government, Statistics, Psychology, French, and Spanish. In order to complete the AP curriculum and earn AP credits, a student must remain in the course for the full year. No partial credit will be awarded. Students are expected to take the AP Exam.

For more detailed information follow the course description as described in the AP Course Description booklet - apcentral.collegeboard.com/highered

LEVEL 1: Honors 1 College Preparatory Courses

These courses are more intensive than other courses experienced by the majority of our students. Classroom activities require a great deal of independent learning. Course content demands critical, creative, and analytical thinking. Courses will require that students demonstrate a comprehensive

understanding of the structure of the discipline. Assignments of original design are required. These courses require: extensive reading, intensive application, analytical & creative thinking, and study to a greater depth of understanding.

LEVEL 2: College Preparatory Courses

Classroom activities are designed with a varying amount of teacher assistance. Through a variety of instructional strategies, learned skills and concepts are reinforced with increasing emphasis on interpretation, analysis, and other higher-level thinking. Homework assignments are both short and long-term in duration and allow students to practice and explore skills and concepts in more depth.

POLICY FOR PROGRAM CHANGE CONSIDERATION

Allocation of staff, rooms, and the number of sections offered are determined by the number of student requests received for a specific course; therefore, students selecting full year courses are committed to remain in the course for the entire year. Also, students selecting semester courses are committed to remain in these courses for the semester scheduled. Exceptions are permitted under certain circumstances.

A course change, even if approved, cannot always be granted. When the proposed course has been closed due to class size or a change would create a conflict in a student's schedule, the intended change cannot be granted. If a level change is granted, the student will take with them the grade they earned from the previous class.

All students are expected to stay in their assigned classes for the first month of the semester, unless an obvious need for change exists. Obvious need might include:

1. A computer-generated scheduling error
2. Having the same teacher in the past, with an unsuccessful academic experience the previous year
3. Incorrectly leveled students
4. Academic/Career pathway changes

There are two types of schedule changes that are processed during the school year.

1. Students can move from one level of a course to a different level of the same course. This is called a level change.
2. Students can add a course and drop a different course. This is called a course change.

The deadlines for making these changes are as follows:

- Level changes may occur at any time during the school year IF initiated or approved by a Department Coordinator.
- After the first 10 school days of classes in each semester, no course may be added without prior Department Coordinator approval.

During the last two weeks of any marking period no courses will be added or dropped. First semester and full-year courses dropped before the last two weeks of quarter one will be completely removed from the official transcript. Second semester courses dropped before the last two weeks of quarter three will be completely removed from the official transcript. All courses dropped after

these periods will receive a W (withdrawal) as a final grade and receive no credit for the course.

The following procedure for schedule changes will be strictly adhered to:

1. Students seeking a schedule change should see their guidance counselor and receive an "add/drop" form.
2. Students obtain the signature of the teacher and department head/coordinator of the course(s) to be *added* first.
3. Students then obtain the signature of the teacher and department head for the course(s) to be *dropped*, giving that teacher an opportunity to work out any problem area *before* the student leaves the class.
4. Students take the "add/drop" form home to be signed by a parent/guardian.
5. Schedule changes taking place more than one week after the first mid-term of the course require permission of the appropriate Department Coordinator. In this case, students take the "add/drop" form to the Dean to be signed, and for the schedule changes to be implemented assuming there is room in the class(es) to be added.
6. There will be a 24-hour minimum waiting period for all schedule changes, unless determined to be of an emergency nature by the Dean or Principal.
7. Students must attend classes as assigned until schedule changes are processed and new assignments are made. *Students violating this policy will not be allowed to change courses.*

This policy is set in place to assure students the opportunity to change for legitimate reasons and discourage whimsical requests. Exceptions to the above policy might be changes made to balance classes; changes made to correct programming errors; or changes made in the interest of good mental health.

Appeal of Denied Schedule Change

1. Students who wish to appeal a denied schedule change must request a meeting with their Dean, their guidance counselor, and any faculty member, department coordinator, or curriculum coordinator who has denied the change. Parents/guardians must attend this meeting.
2. A copy of the appeal form will be distributed to the student, his or her guidance counselor, and each affected teacher.
3. If the problem is not resolved at the Dean's level, students and their parent/guardian should request an appeal hearing with the Principal at which all interested parties will be present.

Senior Year Schedule Changes

If a senior student changes his or her schedule after applying to a post-secondary school or program, the student must inform the school or program of the schedule change. At the conclusion of the school year, a final official transcript will be sent to the school or program the student is planning on attending. If there has been a change and the student did not inform the school or program, the student's integrity may be questioned. This may result in a rescission of an acceptance, especially if the change involved the dropping of a core subject class.

Homework

Purpose

Homework is an important component of student learning; thus, student performance on homework is considered when grading students' achievement in a course. The assignments not only allow the students to practice skills and concepts that were covered in class, but also are designed to challenge students to apply their knowledge in new contexts. Through completion of assigned homework, the students are also preparing for the agenda of the next class meeting. Long-range assignments are given to allow students to explore a topic in more detail and to practice time management skills. The type of assignments and the length of time required to complete such work will differ according to the level of instruction.

Homework over Vacations

Recognizing the importance of time away from classroom learning, no homework will be given during vacations.

Homework and Student Absences

Students should contact classmates for assignments when absences last less than three (3) days. Students who are absent for five (5) consecutive days or more due to illness, accident, or for any other reason must call the House office to make arrangements for assignments. These assignments will be available within 24 hours after the call is received. In addition, numerous teachers post their homework assignments to their X2 page for students to access.

Roles

The *teacher's role* in home assignments is to choose or design assignments that are closely aligned to the objectives of the course and the ability level of the students. The teacher should convey to the student what level of achievement constitutes satisfactory completion of the assignment. The criteria for judging home assignments are announced by each instructor at the beginning of each course.

The *parent's role* in home assignments is to provide a quiet, well-lighted space at home that will be conducive to completion of schoolwork. In addition, regular interest in the student's home study habits and supportive encouragement is important.

The *student's role* in home assignments is to make sure he or she knows what the assignment is and how it will be judged, and to complete the assignment on time and to the best of his or her ability. It is also the student's role to find out about any assignments that might have been made while the student was absent, and to make arrangements with the teacher to turn them in within a reasonable time.

Extra Help/ Peer Tutoring

Students who are interested in extra help should contact their teacher. Peer tutoring is also available to any student who wishes extra help from another student. Students should contact their guidance counselor to arrange for peer tutoring.

Grading

Chelmsford High School uses a one-hundred-point numeric grading system as a means of reporting on student's progress toward the course expectations published by each teacher and distributed and discussed at the outset of the course (i.e., at the start of the school year for a full year course, and at the start of the semester for a semester course). Mid-Term progress reports are published on the X2 family portal at the midpoint of each quarter. The grade on the progress report reflects a snapshot of the student's performance at the given time. Report cards are published on the X2 family portal at the end of each quarter. The exact dates of publication are provided on our website on an annual basis. The teacher of record can best answer questions about your child's performance.

Marks are reported numerically to indicate the scholastic achievement of the student for each marking period. The following codes will be used:

90 - 100	Superior	E=	Excused	N=	No Credit
80 - 89	Above Average	F=	Fail	P=	Pass
70 - 79	Average	I=	Incomplete		
60 - 69	Below Average	M=	Medical	W=	Withdrawn
Below 59	Failing/No Credit				

A weighted average of the quarter grades and performance on semester exams is used to determine Semester grades and Final Year grades. For a semester-long five-credit course, grades are calculated according to the following formula: each quarter is worth 47.5 % of the semester grade, and the end-of-course, semester exam is worth 5 %. The final grade for a yearlong (two-semester) ten credit course: each quarter is worth 23.75% and the final exam is worth 5%.

Our numerical grading system is then converted into a weighted grade point average (GPA) that takes into account the academic level of the course. The weighted GPA is calculated annually (with senior GPA being calculated at the conclusion of first quarter and second quarter in accordance with the college application process). Numerical grades are converted to a grade point value according to the chart below. Courses are weighted according to difficulty. The quality points are then multiplied by the credit value of the course. The total quality points are divided by the total credits to yield the GPA. A weighted GPA accurate to three decimal places is computed at the end of each semester. Rank is determined by putting these weighted averages into descending sequences.

Confidentiality

By law, and by policy adopted by the School Committee, rank-in-class information is private and is to be released only under certain conditions to the individual student, his parent and appropriate school personnel. It will be included in the confidential information sent to selected colleges at the request of the student, but rank-in-class will not be published. Class rank is not calculated until junior year.

Alternative Ways of Acquiring Credit

Typically, students at Chelmsford High School accumulate graduation credits in courses that are offered in the regular day program. However, credit recovery may make it necessary for credits to be acquired through alternative means. Credit recovery allows students to make up credit for subjects failed or subjects in need of strengthening.

Alternative Sources of Credit

Summer School: Chelmsford High School offers a comprehensive summer school program. It is not the intent of summer school to have students use the 4-5-week program to supplant the rigors of a full year course, but to allow students who have shown some serious effort during the year to gain credit towards promotion or graduation. Therefore, the Deans, acting on recommendations of teachers and counselors, shall determine who shall or shall not be permitted to attend class for credit. Students approved for summer school shall have attended classes for at least 75 percent of the preceding academic year in order to qualify for credit upon successful completion of the course. Attendance shall be defined by the student's absences, dismissals, suspensions and/or tardies. Successful completion of the course will mean, in most cases, that credit will be awarded. The grades earned in summer school will not be used in calculating class rank.

Rules for Acquiring Alternative Credit

If credits are to be acquired from alternative sources, they must be arranged in consultation with the student's Dean. In general, the following rules can be expected to apply:

For Students Who are Repeating a Failed Course

1. Entrance Requirements
 - a. Failure in the original course
 - b. Teacher recommendation to High School Administration

2. Requirements for Earning Credit
 - a. Course that offers a minimum of 40 hours for 10 credits
 - b. No more than 2 class absences and must complete course
 - c. Mastery of concepts as outlined in course of studies

3. Type of Credit
 - a. Numerical grade
 - b. Passing grade of 60
 - c. Credit not counted in class rank
 - d. Transcript will show course of credit

Student Jobs and Mentors:

There are certain responsibilities that students have that require time during the school day to complete. Additionally, many students volunteer to mentor students in certain programs.

Student Jobs: Students who want to participate in this program must be a class officer or a yearbook editor. They have to complete an application form and be in good standing academically, behaviorally, and be in good standing for attendance.

- Class Officers
- Yearbook editors
- House Office Help

Student Helpers: Students who want to participate in this program have to complete an application form and be in good standing academically, behaviorally, and be in good standing for attendance.

- P. A.V.E. program
- Resiliency Program
- NECC Program
- Science Lab Techs

Limitation of Alternative Credits

1. Students may not accumulate more than 20 (twenty) credits per year unless approved by the High School administration.
2. Any exception to the above policy must receive the High School Principal's approval prior to taking the course.

Alternative Education Night School Program

The Alternative Education Night School Program is designed to service those students in our community for whom the traditional day school program has not worked for a variety of reasons. In order to enter this program, a student must be officially a junior and receive prior approval from his or her Dean.

The students in this Alternative Education Night School Program represent a cross-section of the general population here at Chelmsford High School. For those students who do have a pre-existing IEP, the plan is amended to reflect their participation in Night School. Additional services normally offered under Chapter 766 guidelines are still offered to eligible students.

The students in this program take courses in English, Social Studies, Science, and Math. In addition, there is a daytime component for each student. It is expected that each student will participate in a work study, community service, or internship type placement during the day. Diploma credit is awarded for each placement, the amount of which is dependent on the extent and depth of the experience.

The work study experience provides the student with the practical experience that is most relevant in his or her life. The basic life skills of responsibility, discipline and self-worth are enhanced through the work study component. For many of these students, post-secondary education may not

be planned. Therefore, the lessons and credits earned through participating in this program are more functional in preparing the student to succeed after high school.

Dual Enrollment:

Dual enrollment courses allow for students to take college-level courses at a discounted rate, and earn credit toward both high school completion and their future college degrees. Completing concurrent enrollment classes helps to ease the transition from high school to college, allows students to get a head start on their college careers, and provides meaningful and challenging academic experiences to qualified students who otherwise may not have access to an early college experience.

Chelmsford High School has a partnership with Middlesex Community College offering over 20 dual enrollment classes. The courses will be taught by CHS staff during the students' regular academic schedule but will align with the Middlesex Community College curricula. Students are encouraged to talk to their guidance counselor about this program.

IX. Student Recognition Programs

Academic Achievement

Gold Medal Scholars

Chelmsford High School honors its five highest-ranking senior students each year by designating them as Gold Medal Scholars. The top-ranking student is the Class Valedictorian; the next highest is the Class Salutatorian. The determination of the Gold Medal Scholars is made at the conclusion of the seventh semester. In order to qualify as a Gold Medal Scholar, senior students must have completed their last 3 semesters at Chelmsford High School.

Salutatorian

The second highest-ranking member of the senior class is declared the salutatorian. a

Valedictorian

The top-ranking member of the senior class is declared the valedictorian and may address class members at graduation.

Academic Honor Lists

Students from all four high school class levels can earn this recognition.

High Honors: Students who receive an average of 90 - 100 for all leveled courses.

Honors: Students who receive an average of 85 - 89.99 for all leveled courses.

Dean's List: Students who receive an average of 80 - 84.99 for all level courses.

Honor lists are calculated by taking the average of all subjects that use numerical grading. A grade below 70 will disqualify a student from any honor list. A student who receives an "incomplete" will be excluded from any honor list.

Awards Events

Student Awards: Students are recognized for great performances and contributions for Academics and Extracurricular Activities. Students who have earned a wide variety of academic and extracurricular awards are presented those awards late in the month of May or in mid-June. There are 4 dates dedicated to each high school class level.

Athletic: Student-athletes are recognized for their accomplishments. Students from each team are recognized in three categories – most valuable athlete, most improved athlete, and scholar athlete.

Department Awards

Department awards are presented for outstanding scholastic achievement. Students are recognized at the Senior Student Awards Event. Awards are presented from each department – Art, Business, English, World Language, Mathematics, Music, Science, Social Studies, and Wellness (Health/PE/FCS).

Pride Awards

Students can be nominated for going “above and beyond” in each of 5 areas – Perseverance, Respect, Integrity, Dedication, and Empathy. Teachers and administrators nominate students at three different times during the year trying to recognize when students have exemplified the core values of CHS. Nominated students are presented their awards during grade-level assemblies in the Performing Arts Center.

X. Student Discipline

Chelmsford High School recognizes that the level of interaction among students, parents, teachers, and administrators largely determines the quality of any discipline policy. One of our primary goals is to foster an atmosphere of trust and communication among the school, students, and parents; an atmosphere which encourages and seeks parental input. Parents are vital to the success of the school process. They have the responsibility in a shared partnership with the school to reinforce acceptable standards of behavior at home.

Students are expected to maintain proper standards of behavior at all times and will respect the rights and dignity of others. They are expected to use common sense, good judgment and the highest degree of self-discipline while observing and adhering to the school rules and regulations. In addition, they are expected to commit themselves to continued educational growth and contribute to a positive school environment. It is expected that students and staff will treat each other with dignity and respect, and that teachers will lay out a clear and consistent set of rules as it applies to each individual classroom.

It is the charge of the school administration to maintain and perpetuate a school environment conducive to obtaining the optimum academic experience and an environment which supports the idea that school is a place for teaching and learning, and a place where academic, physical, social, and emotional growth are equally emphasized. It is also the responsibility of the administration to implement the school code of discipline in a consistent, firm, and fair manner. The administration recognizes the importance of exhibiting compassion and understanding in dealing with specific violations of the code by individual students. The administration also recognizes the importance of exhibiting compassion and understanding toward the staff in dealing with situations where student

behavior has become unacceptable. It is the responsibility of the administration to maintain a balance between students' and teachers' rights and responsibilities, and to assure that all persons, students and staff alike, are treated fairly, and with dignity and respect. The administration will implement the code of discipline using all resources available to it before any final decisions are made. The administration will make all decisions based upon available facts, good judgment, common sense, and the general good of the individual student and school as a whole.

These policies apply to all school related activities and school sponsored events, including but not limited to: dances, school trips, athletic and academic competitions (home or away), etc. Any parent group which exists in support of school activities must follow the mandates of this Student Handbook. For example, any student under suspension from school will not be allowed to attend parties, celebrations, banquets, etc. sponsored by such groups while a suspension is in force. Violation of this policy by any student or staff member is deemed a form of insubordination and will be appropriately disciplined.

Laboratories are of a unique nature, and without complete adherence to the rules and regulations of lab safety, a dangerous situation could arise. All students must follow the dictates of lab teachers as related to safe laboratory procedures. Any student violating lab safety procedures may be removed from the class in order to ensure the safety of all other students in the class. Classes with labs include Art, Science and Technology Education.

Computer laboratories provide important learning experiences in many courses. Students must adhere to rules and regulations established by the administration in order to best meet the needs of the students. Any student violating computer laboratory procedures may be removed from the class.

Emergencies

Nothing in this policy should deter any school department employee from initiating quicker and more effective action than herein outlined, if a student is obviously in need of immediate medical assistance.

Search & Seizure

The Principal, Deans, Supervisors of Students or the principal's designee are entitled to conduct a search of a student's person, assigned locker and immediate possessions, including, but not limited to, backpack, personal property (wallet, pocketbook, etc.) and vehicle on school grounds whenever the school administrator has a reasonable suspicion that the student has violated or is violating the law or the rules of the school relating to drug and/or alcohol/tobacco and/or student safety.

Disciplinary System

Chelmsford High School remains committed to being a place where every student is treated fairly and with dignity and respect. The expectation is that every student will demonstrate these same qualities when interacting with teachers, administrators, staff and each other. However, occasionally a student (or group of students) may, for whatever reason, not follow these expectations. When this happens the optimal learning environment is breached, and discipline is necessary. Chelmsford High School will adhere to the system of discipline as described below.

Detention

This is any adjustment to a student's arrival to or dismissal from school due to any disciplinary infraction. All detentions will be served after school from 2:00 p.m. to 3:00 p.m. in a supervised study room on Monday through Friday. The students will study under the supervision of an adult. They will obey all posted rules and regulations established by the adult. Students must serve the detentions within two weeks of their being assigned. Failure to report to a detention will lead to further disciplinary action including possible suspension by the Dean. While serving a detention a student retains all school privileges regarding athletic, extra-curricular and social activities, except for participation in such after-school activities and athletics on the date(s) and time(s) of the assigned detention.

Suspensions

Repeated violations or major infractions of the school code of discipline may result in suspension from school. Depending on the type of infraction, suspensions will be either in school or out of school, for a short-term (Ten (10) school days or less) or long-term (longer than ten (10) school days) and will be assigned depending upon the violation and the student's past disciplinary record. Suspensions will command parent notification. While suspended, a student loses all school privileges regarding athletic, extra-curricular, and social activities.

Expulsion Policy

Under the provisions of Massachusetts General Law, Ch. 71, Section 37H, any student found on school premises or at school-related events, who is in possession of a weapon, or drugs, or who assaults any educational staff member or supervising adult may be subject to expulsion by the high school Principal (please see Acts of Misconduct for specifics). A Special Education student who violates a school rule leading to expulsion shall be subject to exclusion. Exclusion is defined as placing the student in another education setting, not at Chelmsford High School. If expelled or excluded, a student must be notified in writing of an opportunity for a hearing before the Principal. A student will have the opportunity at the hearing to present evidence on his/her behalf which may impact the student's case. A student who has been expelled by the high school Principal has the right to appeal the Principal's decision to the Superintendent of Schools.

Partnership with Local Authorities

As per the memorandum of understanding between Chelmsford Public Schools and the Chelmsford Police Department, both CHS and CPD have agreed to respond effectively and cooperatively for everyone's protection to incidents of student delinquency, truancy, and criminal behavior. As per the understanding, CHS has a responsibility to report to CPD any incident involving alcohol, inhalants, or controlled substances (as per G.L. c.94C); the threat of assaultive behavior, intentional assaultive behavior, or reckless behavior resulting in personal injury; possession of a weapon (as per below, of G.L. c.71 s.37H); stalking or harassment (as per G.L. c.265 s. 43 + 43A, c.209A or 258E); involving a child suffering from physical or emotional injury as from abuse or neglect; involving an actual or suspected case of a hate crime or violation of civil rights; resulting in significant damage to school property; involving bomb threats, fire threats, fire setting, or other explosive devices or hoax devices; creation or possession of a document that identifies any individual targeted for violence or death; involving any threat against a student, school personnel, or other school employee; involving hazing (as per G.L. c. 269 s. 17); any sexual assault or any lewd and lascivious behavior; and any incident of bullying (as per G.L. 71 s.37 O).

Acts of Misconduct

The following are merely examples of conduct that may lead to disciplinary action. Students are expected to conduct themselves in an appropriate manner at all times. Students who choose to engage in behavior that is inconsistent with an appropriate educational environment, whether or not specifically listed, could be subjecting themselves to disciplinary action up to and including expulsion. Normally this is a five-day suspension. However, the administration reserves the right to review potential consequences of the case based on the severity of the violation and based on the particular facts and circumstances of the situation.

1.0 Dangerous Weapons

It is the responsibility of the school administration to protect every student and staff member from any possible injury. The possession of any type of knife, razor, or other dangerous object or weapon in school greatly increases the risk of accidental injury to both the student carrying the object and to others. Therefore, weapons and other dangerous objects of any kind are not allowed in the building or anywhere else on school property for any reason.

1.1 Possession of any weapon or dangerous object

1st Offense

Drug Searches with Police and K-9s

In accordance with Chelmsford School Committee policy 3210, notice is hereby provided that the Chelmsford Public Schools in collaboration with the Chelmsford Police Department may utilize K-9 searches for illegal drugs in an effort to eliminate illegal drug use, possession and/or distribution in the schools. As a reminder and as a condition of use of any and all school property there should be no expectation of privacy in any locker, desk, parking space and/or other property

belonging to the Chelmsford Public Schools. The administration of Chelmsford High School reserves the right to inspect such equipment, furniture or space to maintain the integrity of the school environment, to protect other students and staff, and to enforce safety regulations in accordance with the policies of the Chelmsford School Committee and the Chelmsford High School Student Handbook.

Breathalyzer

Chelmsford High School is strongly committed to providing an alcohol and drug-free school environment for all students, faculty, and staff. Due to our growing concerns with student safety at dances and other school events, including prom and graduation, the High School has implemented the use of a breathalyzer at these events in order to deter alcohol consumption and prevent undetected drinking from resulting in serious harm to our students.

Disciplinary Action for Breathalyzer

1. The Chelmsford High School may administer breathalyzer tests to all students seeking entry into any school sponsored event. In the event the first test administered is positive, a second test shall be administered immediately. In the event the second test administered is negative, a third test shall be administered immediately and the result of the third test will control.
2. If a student tests positive on two breathalyzer tests administered, his/her parents will be contacted, and he/she will be released directly to his/her parents. Disciplinary consequences will be assigned per the Student Handbook. Attendance at school sponsored events will be prohibited for one calendar year. Any senior who tests positive on two breathalyzer tests administered will not be permitted to attend senior week events. Any senior who violates this policy twice within a calendar year will not be permitted to walk the stage at graduation. Any senior who brings alcohol to a school sponsored event will not be permitted to attend senior week events or to walk the stage at graduation.
3. If a student, after signing the agreement, refuses the breathalyzer test, his/her parents will be notified and asked to transport the student from the school sponsored event. If it is suspected that the student is under the influence of alcohol, the student will be interviewed by school administrators and, if it is determined that he/she has consumed alcohol, disciplinary procedures will be followed.

Nothing in this policy shall limit the ability of athletic coaches, club/activity advisors and/or the Athletic Director/CHS administrators to impose separate disciplinary consequences involving participation in athletic events or membership on athletic teams.

2.0 Alcohol and Drugs

The school community supports all efforts in educating our youth to the dangers of alcohol and drugs. In addition, we encourage all students with alcohol or drug problems and their parents to work with our administrators and/or counselors to assist the students in identifying programs to address the drug or alcohol problems. Alcohol and drugs can be very dangerous. They maim the body, impair judgment, limit mental capacity, and impact negatively both on the learning and socialization processes. It is for this reason that the school administration takes the hardest line possible with anyone violating our alcohol and drug policy. Because of the administration's concern

for the well-being of all students, if a student violates the drug and alcohol policy the administration strongly advises parents/guardians to seek counseling in order to ensure the student's well-being.

A student shall not buy, sell, use, distribute nor possess alcohol or drugs such as, but not limited to barbiturates, amphetamines, narcotics, marijuana, or any other controlled substances as defined by Massachusetts General Laws, Chapter 94. A student shall not knowingly be in the presence of, nor have drugs and/or alcohol on his person or in any place on school property (including bus transportation), during home or away extra-curricular activities, on any school-sponsored trip, senior week activities, or during any activity sponsored by a parent group which exists in support of school activities.

Any student involved in Athletic or Extracurricular activities and is in violation of the drug and alcohol policy will be subject to additional penalties as defined in "Rules for High School Athletes" and "Extracurricular Eligibility Policy".

***Chelmsford High School acknowledges that students make mistakes. We want students to learn from their experiences. All violations under 2.0 may have an opportunity to reduce the number of days suspended if they enroll in the substance abuse education program. This will be discussed with students and their parents/guardians by their respective Dean.**

One of the objectives of the educational process is to nurture growth in young people so that appropriate conflict resolution is learned. The importance of being able to solve interpersonal problems without violence or physical contact cannot be overstated. Therefore, the necessity of learning to resolve differences of opinion through appropriate dialogue is continually stressed. Threats, attacks, or harassment against any staff member will not be tolerated.

In many surveys nationwide, educators, parents and students complain most about the depressing physical conditions of their schools. The Chelmsford High School community takes a great deal of pride in maintaining a physical environment conducive to good learning. It is the administration's responsibility to ensure that this message is emphasized on a consistent basis, and that those who choose to abuse the physical structure of the building or its contents or grounds will be properly disciplined.

Willful destruction of school property, such as, but not limited to: books, desks, chairs, windows, tables, seats, equipment, or personal property belonging to others is unacceptable and will not be tolerated. Students who violate this rule are subject to:

- Parent notification.
- Restitution for the repair or replacement of property destroyed or damaged.
- At the discretion of the Principal, a detention or suspension may be assigned.
- Depending upon the severity or frequency of the offense, proper legal authorities and the Superintendent of Schools may be notified.

- Students may be assigned to an appropriate work detail in response to damage caused.

9.0 Smoking and Tobacco

As of June 18, 1993, the Commonwealth of Massachusetts passed The Educational Reform Act, which specifically makes smoking by anyone on school grounds illegal. Smoking, as well as the use of any other type of tobacco products, (please see section 2.6 for information regarding vaping and e-cigarettes) is unhealthy and contributes to or is a direct cause of many serious ailments. Passive smoke is also unhealthy, and contributes to allergic reactions, irritated eyes, and other discomforts for the nonsmoker. Recognizing this, Chelmsford High School remains committed to maintaining a smoke-free, tobacco-free environment for all students and staff.

All offenses will result in parent notification plus the following:

1st Offense:

- Minimum 3-day detention
- \$100 fine

2nd Offense:

- Up to 6 days of detention
- \$200 fine

3rd and Subsequent Offenses:

- Hearing with the Principal who will determine length of suspension
- \$300 fine

Failure to pay a fine could result in the filing of a criminal complaint by the Town of Chelmsford.

Additionally, since Chelmsford High School is, by State law, a smoke-free environment, there is no reason for students to be in possession of matches or lighters or cigarettes of any kind. Such devices will be confiscated and discarded. Offenders will be subject to disciplinary action.

10.0 General School Misconduct

It is not possible to list all offenses that may occur during the school year. The following is a list of offenses that may most commonly occur. This list is not all-inclusive, and violations not covered by this section will be dealt with as they occur. The following school-based offenses carry with them a range of possible disciplinary actions, from a simple warning to suspension. The degree of the disciplinary action will be directly related to the severity and frequency of the offense, as well as the student's past disciplinary records. The following are defined as general school misconduct:

- Propping open exterior doors or admitting anyone without the permission from a staff member is not permitted.
- Substantially disrupting school or classroom activities in a repeated or flagrant manner.
- Being present in a part of the school building or grounds for no legitimate reason.
- Failure to have a pass may lead to after school detention.
- Any form of insubordination, including refusing to identify yourself properly upon request by a staff member, refusing verbal directives from a staff member
- Engaging in verbal abuse, profanity, or obscenity (including inappropriate gestures).
- Engaging in loitering, either in the halls or the bathrooms, throughout the school day or after school.

- Engaging in dangerous behavior such as excessive horseplay, snowball throwing, etc., which endangers oneself or others.
- Forging of notes, parking permits, or any other school form.
- Gambling/card playing.
- Provoking or encouraging others to break school rules.
- Failure to report to the assigned area.
- Possession of banned electronic devices.
- Failure to sign into school properly.
-

- Providing building access to individuals through locked door
- Any disruption to the school day.

11.0 Demonstrations

The administration at Chelmsford High School remains committed to being responsive to student needs and will continue to make every attempt to intervene and defuse potentially volatile situations. If, however, students feel a need to meet as a group in order to fully discuss with the Principal an issue of particular concern, the following process should be followed:

- Try to resolve differences with the Student Council.
- If a solution is not reached, request a meeting with the Principal.
 - a. A room, date and time for a meeting will be designated.
 - b. Principal will hear all concerns and make a decision.

Students leaving the building without permission will be subject to discipline. The Principal continues to encourage students to voice their opinions in constructive ways and through positive means.

12.0 False Emergency

Signaling a false emergency (e.g. causing a false fire alarm, reporting, calling in or faxing a false situation) or threatening verbally or in writing to commit a crime is a serious offense. Such an action puts the safety of our entire student population and staff at risk, and unnecessarily endangers the safety of the emergency personnel who must respond quickly. While such emergency personnel are attending to the false emergency at CHS, the safety of the entire town is compromised. In addition, the signaling of false emergencies might diminish the serious response by those who need to evacuate our building and would cause disastrous results during a real emergency.

The following disciplinary procedure will be undertaken for a student alleged to have signaled such a false emergency:

- Parent notification
- Notification to proper school and civil authorities
- 5-10-day suspension
- Restitution

13.0 Leaving School Grounds

Students may not leave school grounds without permission. Any student who leaves school without permission will be subject to the following disciplinary actions:

1st Offense:

- 6-day detention
- Loss of car parking privilege for 2 weeks, or until the 6 detentions have been served.

2nd Offense:

- 1-day in-school suspension
- Parent notification
- Loss of parking privilege for the remainder of the academic year.

3rd and Subsequent Offenses:

- Length of in-school suspension to be determined by the Principal after a meeting with the parents and student.

14.0 Unauthorized Use of Technology

Chelmsford High School recognizes the importance of the responsible use of technology within our schools. Technology is omnipresent in our society and is becoming more vital to the current and future success of our students. As such, we encourage and promote students to engage in behaviors commensurate with our Acceptable Use Policy. When a student violates the tenets of this agreement, the learning environment can become compromised which may impact the physical and emotional safety of students and staff members. As such, engaging in behaviors that compromise our current technological infrastructure or network or the safety of others, including but not limited to the unauthorized distribution of text, data, voice recordings, photographs, or videos of staff or students, at school, on buses, or at a school function, will result in a suspension of up to five (5) days, with the possibility of losing the privilege to use personal and school provided technology during the school day, and may result in the notification of the proper authorities. In addition, students may be expected to participate in a media literacy course with an instructor to help support the student's understanding of the behavior.
